SECOND GRADE EXPLORERS

Hello from Second Grade! We hope everyone had a safe and healthy holiday break. Last month students were learning about the Creek and Cherokee Native Americans. Our Green Corn Festival went off with a bang! The children had so much fun creating winter and summer homes out of play doh, weaving paper into placemats, creating head dresses, playing stickball, writing in Cherokee, viewing ceremonial dances, and going on a nature walk. This week, students began researching and interviewing parents on their heritage and ancestors. Students will be writing a paragraph and creating a doll to showcase their heritage. We are all very excited to learn about each other's heritage and compare the similarities and differences among our ancestors.

THIRD GRADE EXPLORERS

NORTHWOOD EXPLORERS ARE STUDYING EXPLORERS!

Third Graders will be looking at PERSPECTIVES as we move into our next Social Studies unit. The standard requires students to describe the reasons for and obstacles to the exploration of North America, to describe the accomplishments of the explorers, and to describe examples of cooperation and conflict between European explorers and Native Americans. Our students are really enjoying making connections to history. By the end of the unit, third graders will have spent some time studying a little geography, economics, reading, and writing. Our Social Emotional Lessons have really helped us be successful in this unit. We are able to learn about cooperation, empathy, and respect. The finished product will be a booklet about our explorers with plenty of details!

URL Student Picture Pick Up

Remote students' pictures are available for pick up in a bin labeled "URL Student Pictures," in the front of the school. If you are unable to come to the school to pick up your student's pictures, please email Mrs. Robertson at the front desk to make arrangements.

What's the best way to end the semester? With Winter Holiday Parties, of course!

On Friday, December 18th Explorers will enjoy their class winter holiday parties and Reading Is A Gift Day. Students are welcome to come to school for the last day of the semester warm and cozy in their PJs, but please no blankets or pillows. All of the celebrations are being planned by the teachers who will send out more details directly to their classes.

While we miss having visitors in the building, unfortunately for safety restrictions no parents or family members can attend. We recognize the changes and challenges that have impacted our normal community engagement; and we appreciate your patience and understanding as we continue to follow Fulton County Schools Covid-19 protocol to keep our Explorers, Faculty and our entire Northwood ES Family safe.

Thank you for supporting our Online Book Fair!

As a result, we had \$4,389.65 in sales! The media center will directly receive 25% of our total sales in Scholastic Dollars to purchase new books for our school library.

We look forward to adding new titles to our collection for students to read and enjoy! We hope to return to our in-person fair in 2021. Until then, we appreciate your generosity and support of this year's fair.

With gratitude,

Parent (Student) COVID-19 Reporting Portal

Submit a COVID-19 Report to the Fulton County Board of Health if your student:

- has tested positive for COVID-19;
- has a pending COVID-19 test result; or
- has been in direct contact (within 6 feet for 15 minutes or more) with someone diagnosed with COVID-19

Fulton County Schools (FCS) recently introduced a new electronic FCS COVID-19 Reporting Portal for parents. This electronic reporting process will allow for a more direct reaction from primarily the Fulton County Board of Health (FCBOH) with support from FCS to promptly respond and address student/family cases of COVID-19.
