FIRST GRADE EXPLORERS

First graders have had fun learning about magnets this week. We searched for magnets in the classroom, at home, and outside. Many students discovered magnets on refrigerators, cars, whiteboards, as well as some toys. Students also went on a scavenger hunt to look for objects that are attracted to a magnet. Jingle bells, chair legs, paper clips, scissors, and clipboards were just a few of the magnetic objects students found.

FOURTH GRADE EXPLORERS

This week in 4th grade we have been exploring how light interacts with other materials. Students have been investigating reflection and refraction, using mirrors, flashlights, prisms and more. We're excited to continue investigating sound in the coming days!

**What's the best way to end the semester?
With Winter Holiday Parties, of course!**

On Friday, December 18th Explorers will enjoy their class winter holiday parties and Reading Is A Gift Day. Students are welcome to come to school for the last day of the semester warm and cozy in their PJs, but please no blankets or pillows. All of the celebrations are being planned by the teachers who will send out more details directly to their classes.

While we miss having visitors in the building, unfortunately for safety restrictions no parents or family members can attend. We recognize the changes and challenges that have impacted our normal community engagement; and we appreciate your patience and understanding as we continue to follow Fulton County Schools Covid-19 protocol to keep our Explorers, Faculty and our entire Northwood ES Family safe.

Student Withdrawal

If you are planning to move during the Winter Break and your student will be attending a different school next semester, please email our Data Clerk Mary Lou Fleming by Wednesday, December 16th so she can help facilitate a smooth transition.

URL Student Picture Pick Up

Remote students' pictures are available for pick up in a bin labeled "URL Student Pictures," in the front of the school. If you are unable to come to the school to pick up your student's pictures, please email Mrs. Robertson at the front desk to make arrangements.

Parent (Student) COVID-19 Reporting Portal

Submit a COVID-19 Report to the Fulton County Board of Health if your student:

- has tested positive for COVID-19;
- has a pending COVID-19 test result; or
- has been in direct contact (within 6 feet for 15 minutes or more) with someone diagnosed with COVID-19

Fulton County Schools (FCS) recently introduced a new electronic FCS COVID-19 Reporting Portal for parents. This electronic reporting process will allow for a more direct reaction from primarily the Fulton County Board of Health (FCBOH) with support from FCS to promptly respond and address student/family cases of COVID-19.
