## NEWS AROUND NORTHWOOD

## FIRST GRADE EXPLORERS

In First Grade, we are wrapping up Math Unit 3: Operations and Algebraic Thinking. First-graders are having fun practicing math skills with [Greg Tang Math](#). The game "How Much How Many?" is a great way to practice answering questions about graphs such as, "How many more people chose soccer than football?" and "How many people participated in the survey?" We love Greg Tang Math!

"My life makes a  
difference at  
Northwood  
Elementary."

Picture Retake Day is  
being rescheduled. New  
date TBD.

## SECOND GRADE EXPLORERS

Happy New Year from Second Grade! We can't believe it's already 2021! The school year is going by so fast! In social studies, students are learning about two important people, Martin Luther King, Jr. and Jackie Robinson, and how they fought for civil rights for all people. In math, the children have been sharpening their skills and using strategies to solve 2-digit and 3-digit addition and subtraction problems. We have begun our fictional narrative writing unit and are getting excited to see where the children's imaginations will take them. Although we have been remote, teachers and students are really excited to see each other and get back into the swing of things. We are looking forward to a great second semester!

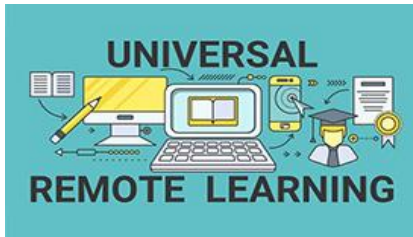

### Parent (Student) COVID-19 Reporting Portal

Submit a COVID-19 Report to the Fulton County Board of Health if your student:

- has tested positive for COVID-19;
- has a pending COVID-19 test result; or
- has been in direct contact (within 6 feet for 15 minutes or more) with someone diagnosed with COVID-19
