NEWS AROUND NORTHWOOD

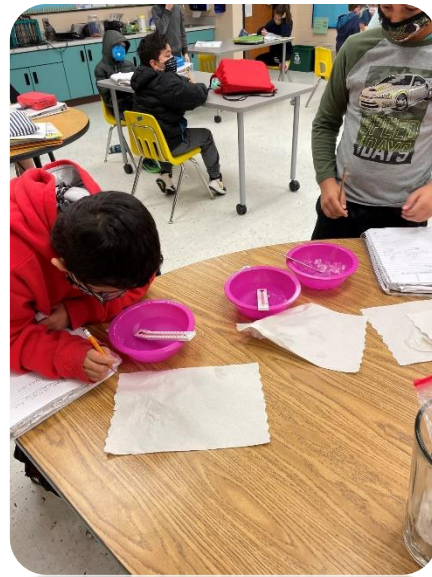

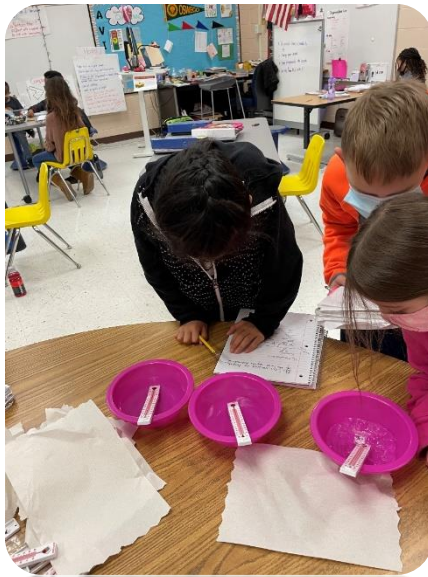

"My life makes a
difference at
Northwood
Elementary."

SECOND GRADE EXPLORERS

Hello from Second Grade! We've been busy the last few months. The children have been working very hard on researching, writing, and publishing an informational text. The reports are coming out wonderful! In math, students have had fun reviewing 2-D and 3-D shapes, learning about partitioning, rows and columns, and multiplication and division. They were so excited to make 3-D shapes out of gumdrops and toothpicks, as well as playdough. Our virtual Teaching Museum field trip was a hit! The students loved being able to participate in learning and telling the stories of our Cherokee ancestors. We are all very excited for our upcoming Spring Break!

THIRD GRADE EXPLORERS

Things have really been "heating up" in third grade! We've been working on a unit about heat. Some of the "cool" things we've been doing include using thermometers to measure the temperature of liquids. We learned that when thermal energy moves from a hot object to a cold object, this is called heat. We looked at the two scales used on thermometers: Celsius & Fahrenheit. We realize now that the weather reports usually tell us the temperature outside in degrees Fahrenheit. Our parents will still have to remind us to wear our jackets, though!!

This year, our entire school is raising funds for Greg Tang, Books for the Northwood Vending Machine, and percentage back to classrooms. Our goal is to raise \$30,000, and, if you'd like to, we are inviting YOU to help!

Here's how you can support Northwood Elementary:

- **Register your student on [FUNRUN.COM](https://funrun.com) by searching "Northwood."** Then, use [FUNRUN.COM](https://funrun.com) to log donations for your student(s).
- **Reach out to family and friends by SHARING your Student's Pledge Page.** With [FUNRUN.COM](https://funrun.com)'s smart sharing tools, reaching out to sponsors is easier than ever. **The easiest way to get donations is to simply click the Facebook share button** on your student's pledge page. Plus, with a few clicks you can create a custom Student Star Video to share on social media. You can also use the Easy Emailer to connect with friends and family. As you gather donations, be sure to record each sponsor's e-mail address so they have the opportunity to easily pay for your student's pledge online via credit card.
- **Ask your child about the Sports City Now Character Lesson of the Day!** It's a fitness theme all about inspiring students to be active and activate their character. Students will travel the country learning how to live and play with more character from REAL kid-athletes. Our dynamic, documentary-style videos will teach your students about Teamwork, Care, Courage, Grit, and Celebration. Join along by watching the fun character videos with your student(s) on [FUNRUN.COM](https://funrun.com).

Thank you for supporting our school, regardless of financial participation. We can't wait for your Fun Run happening on March 26th!"

To keep our Explorers' safe, each grade and classroom will have their own track to run their laps.

There will be shirts, however, we will not be marking them due to COVID.

We will miss having our families there but appreciate your understanding and cheering us on from home!

Thanks for your support!
