2022 MILTON SCIENCE FAIR

WRESTLING MEETING

There will be a meeting for all those who are interested in wrestling this winter this Friday, October 1 at 7:40AM in the Media Hub.

PSAT/SAT DAY - 10.13.21

PLEASE SEE REMINDERS ABOUT THE PSAT/SAT DAY IN OCTOBER

- It will be an Early Release Day: dismissal at 12:45PM
- 12th graders do NOT report to school on 10/13/2021 **unless they signed up to take SAT School Day on this day.**
- All 9th through 11th graders are automatically registered to take PSAT on October 13, 2021. Fulton County schools pay for 9th and 11th grade test takers and the state of Georgia pays for 10th grade test takers.
- It is critical for all 9th, 10th, and 11th grade students to be in attendance on this testing day. We kindly request to consider NOT checking your child out of school for ANY reason during that day so they can complete the entire test.
- There are NO MAKE UP SESSIONS for the PSAT. So, if they do not finish their test in one setting, they will NOT receive a score.

The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT) is a great tool for students considering college. The PSAT/NMSQT measures critical reading skills, math problem-solving skills, and writing skills. Milton High School recommends that students take the PSAT/NMSQT in order to receive feedback about strengths and weaknesses, enter the competition for National Merit Scholar scholarships (11th graders) and to help prepare for the SAT.

100th ANNIVERSARY

MHS 100th Anniversary Alumni Feature

John Major, MHS class of 1987, is from a family with strong roots in the Alpharetta area. His maternal grandmother '30, his father '56, and his mother '59, all graduated from Milton. His mother still lives in their family home on Manning Drive near downtown Alpharetta.

After Milton, John graduated from the University of Georgia with a degree in Journalism. After briefly working in the industry, he returned to UGA and earned his Master's in Social Science Education and also met his future wife, Alison, a beloved, long-time teacher at Northwestern Middle. Alison has taught many students who went on to Milton. John has been a classroom teacher for twenty-eight years, of which he is very proud. He spent one year at MHS and the last seventeen years at N. Forsyth HS. He teaches AP Macro and Microeconomics and AP U.S. Government. He was the Forsyth County High School Teacher of the Year in 2007. He's also a Sacristan at Good Shepherd Catholic Church in Cumming. And John is a HUGE Georgia Bulldogs fan!

John vividly remembers his prom and homecoming experiences. He had great fun with friends dressing up, eating at Coach and Six and The Public House, and going to downtown Atlanta. He often relives the 80s for his own students on dress-up days by tight rolling his jeans, busting out his Converse high tops and popping the collar on his polo shirt. And his students roar when they see pictures of his mullet. But most of John's memories from MHS stem from the band. He was a very busy drummer for five years in the marching band, pep band, jazz band, symphonic and concert bands. Of this time, John says, "For those of us in the band, every football Friday was its own celebration. Doing our best to present an excellent show and then getting together after the game for pizza or going to someone's house to just be together and goof off. I'm not sure how Godfather's Pizza in Roswell tolerated us as often as we were there. The connections I made through band are still very strong. I keep in touch with so many of my band friends."

John had too many favorite teachers to list them all, but he says "To this day, after 25+ years of teaching, a turn of phrase or methodology employed in my own class will remind me of many of my teachers. The way I approach my subject and my students flows directly from the impact those amazing teachers have had on my life. Milton offered me the opportunity to step outside my comfort zone from time to time. I wish I had done it more often but finding my wings as an Eagle has helped me immeasurably in daily life."
