FIRST GRADE EXPLORERS

First graders had a blast getting to see their friends in person after a long three weeks! We have gotten back into the swing of things, learning about Teddy Roosevelt's life and contributions. Students have loved getting to research the national parks he created.

SECOND GRADE EXPLORERS

Happy New Year from Second Grade! We can't believe it's already 2022! The school year is going by so fast! In social studies, students are learning about two important people, MLK, JR. and Jackie Robinson, and how they fought for civil rights for all people. In math, the children have been sharpening their skills and using strategies to solve 2-digit and 3-digit addition and subtraction problems. We have begun our fictional narrative writing unit and are getting excited to see where the children's imaginations will take them. We are all really excited to see each other and get back into the swing of things. We are looking forward to a great second semester!
