NEWS AROUND NORTHWOOD

ART with MS. KATZIN

Northwood Explorers are using clay in art class. They have been so enthusiastic to learn about the process of creating with clay - from building clay forms to how the kiln works. Kindergarteners, first graders, and second graders created their projects last week and will be painting them this week. Third, fourth, and fifth graders are sketching and designing the ideas for their projects this week and next week they will build with clay. Northwood students are so excited to share their wonderful creations!
