YES, I CAN AWARDS

Each year during Exceptional Children's Week, we celebrate students throughout the school who have demonstrated grit, perseverance, and a determination to show tremendous growth and progress in a variety of areas, despite any challenges that may arise. Out of over 80 students, 9 students were chosen to be the 2021-2022 school year's Yes, I Can nominees. Northwood was able to celebrate all nominees with a beautiful ceremony and breakfast on Friday, March 4th, with the nominees and their families. All 9 nominees have demonstrated a "can do" attitude and a drive to learn and improve. Congratulations to all of our nominees! We were so happy to be able to celebrate all of their hard work!

FCS KINDERGARTEN ROUND-UP: VIRTUAL DATES

District level Round-Ups for Kindergarten will be held virtually. These are opportunities for families to gather information regarding district level supports, resources, and requirements including: transportation, nutrition, student information, student health, and general curriculum information. These sessions are a great opportunity to showcase many of the logistical pieces that parents and guardians will need to register their children in Kindergarten and navigate the beginning of the year. These are not intended to replace individual school Round-Ups where families learn school specific information. Round-Ups will be live Teams events and links will be forthcoming. They are scheduled for:

April 13, 2022: 9:00 - 11:00 and April 19, 2022: 3:00 - 5:00

Northwood Elementary Physical Education

As part of your child's 1st-5th grade Physical Education program, Northwood Elementary School is preparing to participate in the FITNESSGRAM physical fitness assessment. The FITNESSGRAM is a comprehensive fitness assessment for youth. It is designed to assess aerobic capacity, muscular strength and endurance, flexibility, and body composition.

The following FITNESSGRAM assessments will be used to measure the various areas of health-related fitness: PACER (aerobic capacity), Push-Up (upper body strength and endurance), Curl-Up (abdominal strength and endurance), Back-Saver Sit and Reach (flexibility), and Body Mass Index (body composition).

This assessment will be used to collect data and help the students set fitness goals. For information regarding the FITNESSGRAM assessment, please refer to www.fitnessgram.net or email Mr. Pearch at pearchm@fultonschools.org.

Looking to get Involved? Join Northwood's Foundation

The Foundation is seeking additional board members. Northwood Foundation is a group that meets once a month from 7-8 am and allocates Northwood's fundraising dollars to fulfill teacher and administrator requests for our school. This has historically been a great opportunity for working parents and has been a great way for dads to participate in our school. Please contact Loren Akin at akin.loren@gmail.com if you are interested.
