NEWS AROUND NORTHWOOD

"Northwood ES,
Where learning is
not a spectator
sport!"

SECOND GRADE EXPLORERS

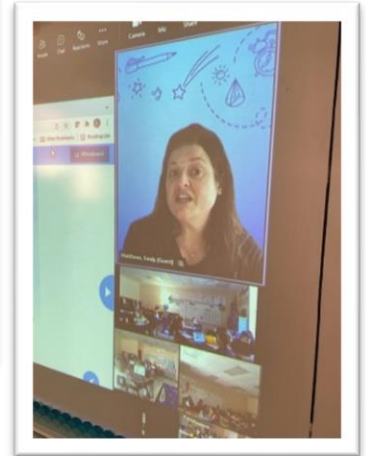

Hello from Second Grade! We've been having lots of fun learning about stars, sun, shadows, moon, and seasons. It's been cloudy out so we've played with shadows inside using flashlights. The children had tons of fun making shadow puppets. In writing, students have been working on their animal research reports. They will each be creating an informational book with text and text features to display their research. The children have been working so hard and showing us that they are getting ready for third grade. We are all looking forward to our upcoming field trip to Warbington Farm in April!

REMINDER!

Early Release Day

THIS MONDAY
March 21st

Dismissal Time
12:20 p.m.

THIRD GRADE EXPLORERS

This week 3rd grade students have been focusing on heat and temperature. We started the week with a virtual-live presentation with GA Power focusing on heat transfer, insulators, and conductors. Then, students went around the school measuring the temperature of water in various places. We were able to observe how the sunlight effects the temperature of water!

FCS KINDERGARTEN ROUND-UP: VIRTUAL DATES

District level Round-Ups for Kindergarten will be held virtually. These are opportunities for families to gather information regarding district level supports, resources, and requirements including: transportation, nutrition, student information, student health, and general curriculum information. These sessions are a great opportunity to showcase many of the logistical pieces that parents and guardians will need to register their children in Kindergarten and navigate the beginning of the year. These are not intended to replace individual school Round-Ups where families learn school specific information. Round-Ups will be live Teams events and links will be forthcoming. They are scheduled for:

April 13, 2022: 9:00 - 11:00 and April 19, 2022: 3:00 - 5:00

Northwood Elementary Physical Education

As part of your child's 1st-5th grade Physical Education program, Northwood Elementary School is preparing to participate in the FITNESSGRAM physical fitness assessment. The FITNESSGRAM is a comprehensive fitness assessment for youth. It is designed to assess aerobic capacity, muscular strength and endurance, flexibility, and body composition.

The following FITNESSGRAM assessments will be used to measure the various areas of health-related fitness: PACER (aerobic capacity), Push-Up (upper body strength and endurance), Curl-Up (abdominal strength and endurance), Back-Saver Sit and Reach (flexibility), and Body Mass Index (body composition).

This assessment will be used to collect data and help the students set fitness goals. For information regarding the FITNESSGRAM assessment, please refer to www.fitnessgram.net or email Mr. Pearch at pearchm@fultonschools.org.

Looking to get Involved? Join Northwood's Foundation

The Foundation is seeking additional board members. Northwood Foundation is a group that meets once a month from 7-8 am and allocates Northwood's fundraising dollars to fulfill teacher and administrator requests for our school. This has historically been a great opportunity for working parents and has been a great way for dads to participate in our school. Please contact Loren Akin at akin.loren@gmail.com if you are interested.
