ESOL EXPLORERS

Have you seen any butterflies flying around your yard? We hope so! Butterflies are beautiful, colorful creatures that are also fun to watch. Since returning from Spring Break, our Kindergarten ESOL students have been using the Pebble Go website to read and learn information about Monarch Butterflies. After listening and reading about them, the students have been working hard and writing facts about monarch butterflies in their own little book. They have been writing about what monarch butterflies look like, what they eat, where they live, and some additional fun facts about this amazing insect.

ESOL EXPLORERS - Continued

In addition, our ESOL Kindergarteners have been drawing pictures to match the words in their books. We are so proud of how much our ESOL kindergarten students have learned over this school year. They have grown as readers and writers and will be ready for 1st grade in August.

PBIS Celebration!

April's PBIS reward celebration was extra outdoor recess. Students had a blast outside getting to play with special recess equipment and dancing to fun music to celebrate following our PBIS expectations!

AT SCHOOL

Take care of your device while it is at school.

Be careful not to close the lid with pens and pencils on the keyboard.

Be careful how you carry and move your device from class to class or how you store it when not in use.

Remember to restart your device if you have issues. Closing the lid does not shutdown or restart the device.

Visit the Device Coordinator at your school if you have any technical issues.
