

UNITED PATTERSON PROFILE - SERINA SIERRA CABRERA

Serina Sierra Cabrera, daughter of Mr. Raul Cabrera Jr. and Mrs. Corina V. Cabrera, and granddaughter of Mrs. Lilia Lomeli-Gil, all of whom attended PHS, graduated from John B Allard School in 2017 after completing most of her high school education at Patterson High School. Throughout her time at Patterson High, she demonstrated exceptional leadership and involvement in various clubs and sports, including serving as President of the Kids Helping Kids Club and Founder/President of the Dance Club. Serina maintained a commendable 3.3 GPA while participating in activities such as Academic Decathlon, Yearbook, AVID, and

Track & Field. She excelled as the Dance Captain of the Tigers Cheer Team while also being nominated for Winter Homecoming Queen. Inspired by her experiences and the guidance of Mr. Aaron Wheeland, her AVID teacher, and an SSU alumnus, Serina pursued a Bachelor's Degree in Applied Statistics with a minor in Biology at Sonoma State University, graduating with distinction in 2023. Her achievements earned her a full ride scholarship to Harvard T.H. Chan School of Public Health, where she currently pursues her Master of Science in Cardiovascular Epidemiology, conducting research on Cardiovascular Disease Prevention among Hispanics/Latinos. In honor of her father's passing in 2022 due to sudden cardiac arrest and her SSU graduation, Serina established the "Cabrera Scholarship," offering support to a deserving student at John B Allard School (now named Stanislaus Military Academy), exemplifying her dedication to education and community. Serina looks forward to completing her Master's degree in 2025 and aspires to contribute to addressing healthcare disparities in underrepresented communities through her future medical studies.
