elective		

Students must sign up for the following math classes: Algebra I, Geometry, Algebra II.  
 Students must complete Biology, 2 credits in one of the following: ICP, Chemistry, or Physics, and choice of 2 other science credits.  
 All students must take a math course or quantitative reasoning course each year of high school.  
 Be sure to meet all requirements for the Graduation Pathways diploma.  
 Keep in mind that attendance is extremely important and key to a waiver of the Employability skills component of the Grad Pathways diploma.
