SECTION 4: Educational Capacities pursuant to article 32.72-3218	Response
a. If high school- we teach the subjects and areas of instruction necessary to meet the	My school is not a high school
graduation requirements adopted by the state board of education.	
b. Is every child in your school provided at least the following capacities:	
Sufficient oral and written communication skills to enable students to function in complex	No
and rapidly changing civilization.	
Sufficient knowledge of economic, social and political systems to enable students to make	No
informed choices.	
Sufficient understanding of governmental processes to enable the students to understand	No
the issues that affect his or her community, state and nation.	
Sufficient self-knowledge and knowledge of his or her mental and physical wellness.	Yes
Sufficient grounding in the arts to enable each student to appreciate his or her cultural and	No
historical heritage.	
Sufficient training or preparation for advanced training in either academic or vocational	No
fields so as to enable each child to choose and pursue life work intelligently.	
Sufficient levels of academic or vocational skills to enable students to compete favorably	No
with their counterparts in surrounding states, in academics or in job market.	
with their counterparts in surrounding states, in academics of in job market.	
SECTION 5: Staff Needs	Response
a. Is there adequate personnel/staff to meet the needs of the school and the needs of students	No
under ESEA guidelines which requires every classroom to contain an educator who is certified in	
eye content area being taught in said classroom and meet the goals of the school?	
b. How many classified supports staff are currently employed?	29.9
How many are needed at this building (vacant & filled)?	32.80
c. Are there appropriately licensed support personnel such as counselors, librarians, nurses, ect.?	
d. Are a principals and other key staff trained to provide instructional leadership and	Yes
professional development to teachers?	
e. What staff development is necessary for teachers to support students' success and meet the	Instructional Coaching;#LETRS Training;#Restorative
school improvement goals of the building?	Practices;#Other;#SRG Training; NME
	······
SECTION 6: Facility Needs	Response
a. Is there adequate space for student learning?	Yes
b. Are there necessary repairs and/or adjustment to the existing space that need to be made?	Yes
b. Are there necessary repairs and/or adjustment to the existing space that need to be made:	
SECTION 7: Family Needs/Community Relations	Response
a. Do you have regular events to engage parents with teachers?	Yes
b. What types of caregiver training programs (teaching guardians how to give students help with	
homework, use of technology that student will be required to use, ect.) are provided?	
nonework, use of technology that student will be required to use, etc.) are provided:	
c. Do you have a active site council?	Yes
d. Do you have active PTO, PTA, Booster Club, or other organizations with parent leadership?	No
e. What types of communication exist with families?	Parent Link;#District Wide Communication;#Social Media;#Emails
	from Teachers;#School Website;#PhoneCalls/Text
	Messages;#Newsletter
Is it adequate?	Yes
f. What types of communication/social media exists with your community?	District Wide Communication;#Social Media;#School Website
Is it adequate?	Yes
SECTION 8: School Data	Response
a. What is our building attendance rate?	91.20%
b. What is our building chronic absenteeism rate?	34.30%
a. what is our district graduation rate?	N/A
b. What is our dropout rate?	N/A
c. What is our average comprehensive ACT Score?	N/A

ECTION 9: Other Data	Response	
a. Based on your building leadership team analysis, what are the barriers your school faced with	Scheduled Time/PD Time;#Paraprofessional	
non-assessment related issues?	Training;#Curriculum;#Attendance/Truancy;#Child Study Team	
	Ratios;#Parent & Community Involvement;	
Can they be achieved with additional resources?	Yes	
Why or why not?	PD Time- Needing time for staff to collaborate and deliver	
	professional development based on specific building needs. Mor	
	time to allow for observations of other teachers, make contact	
	with parents and intentionally planning.	
	Paraprofessional Training- Need trainings to better understand	
	the curriculum and strategies for reading and math. Training on	
	structure and behavior management strategies. Training on how	
	to support while teacher is doing whole group and how to assist	
	Curriculum- A new math curriculum. Giving teachers trainings	
	and resources to use other than Dreambox.	
	Parent and community involvement - it could be helpful to have	
	some modules of premade things that could be used to help	
	educate parents in areas of need. Additionally, it is hard to have	
	school staff work to find community partners, it could be helpfu	
	to have pairings done at a district level with community partner.	
	to help keep things equitable between schools.	
	CST- Having a full time CST would allow for us to have adults hel	
	with social and emotional behavioral concerns with students and	
	to get our testing done without staff being overwhelmed with to	
	much on the plate and not enough time.	
	Attendance – either more staff or more time is needed to contact	
	parents and work with families to overcome barriers of getting t	
	school.	
Additional building unique identified Items:	None Students: A sense of belonging, attendance, language barriers,	
Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments.		
	transportation, allowing time for flexibility to play.	
	Staff- Student behavior, time, staff attendance, all staffing	
	positions being filled, substitutes.	
	Families: Transportation, involvement within the school day,	
	poverty, language barriers.	
	Community: connection to the buildings since COVID,	
	communication with staff and the schools needs, willingness to	
	help support their events from school staff (give and take)	
Identify the budget actions that should be taken to address and remove those barriers.	Increase budget for paras and for subs to try and recruit them.	
	Increase budget and allocation for CST staff to help with	
	social/emotional needs and attendance issues.	
	Invest in more explicit math curriculum for core math and math	
	intervention.	
	Increase budget would allow for teacher and para trainings to	
	help support student academic growth.	
Identify the amount of time the board estimates it will take for each student to achieve	District goal is to decrease the percentage of students performir	
Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budge actions would be
