

Building Needs Assessment 2023-2024 For 2024-25 Budget Planning (HB 2067)

DISTRICT: D0259 - Wichita Public Schools
SCHOOL: Pleasant Valley Middle School
SCHOOL NO: 1828
INTERNAL NO: 265

a. How many students are in the building? b. Percentage of students with an IEP c. Percentage of students enrolled in ELL services d. Percentage of students identified as At-Risk (Free Lunch)? e. What is the teacher to student ratio average?	Response 594 17.5%
a. How many students are in the building? b. Percentage of students with an IEP c. Percentage of students enrolled in ELL services d. Percentage of students identified as At-Risk (Free Lunch)?	594 17.5%
b. Percentage of students with an IEP c. Percentage of students enrolled in ELL services d. Percentage of students identified as At-Risk (Free Lunch)?	17.5%
c. Percentage of students enrolled in ELL services d. Percentage of students identified as At-Risk (Free Lunch)?	
d. Percentage of students identified as At-Risk (Free Lunch)?	
, ,	40.2%
e. What is the teacher to student ratio average?	85.5%
	13.76
f. What is the teacher to student ratio median?	12.60
g. Are the needs of foster care students being met?	No
If no, what supports are needed?	More foster parents. More behvaior support staff. More social workers. More McKinney-Vento staff.
h. Are there gaps in student success among race/ethnicity student subgroups	Yes
i. Do you have a tiered system of support to target reading growth?	Yes
j. Do you have a tiered system of support to target math growth?	Yes
k. Do you have local assessments to measure reading growth?	Yes
I. Do you have local assessments to measure math growth?	Yes
m. Do you have Learning opportunities for students to focus on academic needs outside of the	Yes
transitional classroom setting?	
n. Reviewing state assessment data, what steps are you taking for all students to maximize their	Every student is enrolled in two math classes and two reading
scores	classes. We reinforce grade level standards and remediate below grade level standards in the additional math and reading classes.
o. Have you set targets/goals to move students out of proficiency Levels 1 and 2 on state assessments?	Yes
SECTION 2: State Board of Education Outcomes (please utilize your district KESA	Response
(accreditation) and Star Recognitions plan/ rubrics)	
a. How are you measuring social/emotional growth?	Office referral data. Student Support Team call log data
b. What are your targets/goals related to social/ emotional growth?	We want to reduce the number of office referrals by 10%. We want to reduce the number of SST calls for refocus/needs a counselor by 10%.
c. If you have Kindergarten in your school, how do you determine students are ready for	NA
kindergarten?	
d. What are your targets/goals related to kindergarten Readiness?	NA
e. How are you measuring the success of individual plans of study?	XELLO data.
f. What are your targets/goals related to postsecondary completion/attendance?	NA
g. How are you ensuring students are civically engaged?	Social studies curriculum.
SECTION 3: Curriculum Needs	Response
a. What extended learning opportunities are provided (after school programs, summer school	Tutoring;#Summer School;#Interventions;#Class Within a Class;
programs, etc.)?	
b. Are there appropriate and adequate instructional materials?	Yes
c. Is current technology appropriate? If no, what technology is needed to support the curriculum?	Yes
SECTION 4: Educational Capacities pursuant to article 32.72-3218	Response
a. If high school- we teach the subjects and areas of instruction necessary to meet the	My school is not a high school
•	iviy school is not a night school
graduation requirements adopted by the state board of education.	+
 Is every child in your school provided at least the following capacities: Sufficient oral and written communication skills to enable students to function in complex 	No
and rapidly changing civilization.	NO .
Sufficient knowledge of economic, social and political systems to enable students to make informed choices.	No
Sufficient understanding of governmental processes to enable the students to understand	No
the issues that affect his or her community, state and nation.	No
Sufficient self-knowledge and knowledge of his or her mental and physical wellness.	No
Sufficient grounding in the arts to enable each student to appreciate his or her cultural and historical heritage.	No
Sufficient training or preparation for advanced training in either academic or vocational fields so as to enable each child to choose and pursue life work intelligently.	No
Sufficient levels of academic or vocational skills to enable students to compete favorably with their counterparts in surrounding states, in academics or in job market.	No

Can they be achieved with additional resources? Why or why not? b. Additional building unique identified Items: Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments. Identify the budget actions that should be taken to address and remove those barriers.	Response 90.00% 34.90% N/A 0.005 N/A Response Attendance/Truancy;#Parent & Community Involvement;#Child Study Team Ratios;#Caseloads per Teacher;#Curriculum;#Paraprofessional Training;#Instructional Technology Training; Yes If kids showed up to school on time/every day, and we had more people to support them, then we would be more successful at preparing students for high school. None Student attendance is a barrier. Around 30% of our students are chronically absent. The data does not show that we have arround 50 students late to school every day. These are parent issues. Kids have to be at school to learn. A tremendous amount of our students enter middle school with inadequate skills in reading, writing, and math. Parents need to make attending school and being on time a higher priority. We need more instructional support at the elementary level. We spend a tremendous amount of money and resources on catching kids up in middle school and high school. We should put more money and resources and accountabilty systems into elementary so they are more prepared when they enter secondary schools.
a. What is our building attendance rate? b. What is our building chronic absenteeism rate? a. what is our district graduation rate? b. What is our dropout rate? c. What is our average comprehensive ACT Score? SECTION 9: Other Data a. Based on your building leadership team analysis, what are the barriers your school faced with non-assessment related issues? Can they be achieved with additional resources? Why or why not? b.
