Coffee with Cain attendance in the morning was small & the afternoon session was 0. We hope this is a reflection that parents feel like they are being well informed through other channels as we continue to grow our communication.

Back to school night: We waited for the very last minute to change of the schedule because we did not want to go virtual. With the 40 cases, Dr. J felt it was a decision needed to be made. There were a couple hiccups be we got through it and in the end it all worked out.

One lunch volunteer parents are helping great! Lines are moving faster.

Getting back in the new year and excited to have the new advisor (Risa Moran) **Q:** to PTO Pres KK from StuGo Pres OR: Licensing for Parade would be easier if PTO could help do it directly. PTO response: Currently PTO carries a line item \$1K for Homecoming.

VIII. Good of the Order Discussion

- Water bottle Drive.
- Excited about the COVID numbers being down
- Water has not been handed out at lunch. (Juice or milk)
- Senior Events: Finding the balance with the current situation. We will work to make as many senior events happen as possible.

- Positives: Surface Go’s... students are 1:1
- District Gifting concerns with servicing the old Chromebooks (lack thereof) and the take away of the gift(s).
