DISCUSSION UPDATE: via email by Rachel Hernandez reported... Things seem to be moving along! Dr. J and Mr. Sherren have begun planning for court resurfacing after tennis season is over before next season. I know a shade structure was discussed too. I'm not sure if that is already in the works or not. The tennis teams appreciate the attention to their program. → Dr. J is still looking into resurfacing Tennis Courts.

NEW DISCUSSION: KOI POND: Funding options Student Max has found 1 company after all our efforts last year. Currently the koi are relying on just the bubbler for oxygen - not sure what happened to the pump. Request is to create an open P.O. to either a staff member to be responsible for the remainder of the year (like zoo/bot) to help take care of the pond or company to come regularly to manage. Seeking recommendation for amount. Questions, Comments, Suggestions accepted. Including a zoo/bot garden. Needing irrigation to the planting.

Q: Sponsors? Corporate, Neighborhood business...
