Norms

We will...

- be fully present
- be open to new ideas
- invite and welcome the contributions of every member
- respect one another and maintain a collegial, friendly atmosphere
- identify issues that can be decided by consensus, and will establish consensus by determining the will of the group
- keep that which is shared in trust, confidential

Committee Expectations

What is your role to help accomplish the purpose?

- Review previous letter criteria & rubric; suggest modifications based on campus feedback & differences needed for AP
- Participate in implementation and monitoring of selected resource.

Committee Expectations

Rubric Consensus?

- An Acceptable resolution
- Choosing to cooperate with the direction of the group.
- Asking yourself: “Is this rubric something I can live with?”
- Agreeing to move forward when the group settles on a resolution.

Committee Expectations

Expectation of Confidentiality

- What can you share?
- Who can you share it with?
- When can you share it?

Goals by the end of Meeting #1:

The AP Math Adoption Committee will come to a consensus and finalize...

- a letter to be sent out to publishers on Friday January 10th.
- the rubric to use when reviewing materials submitted by publishers.
