Principal's Report:
Bell Schedule discussion: We are considering changing the bell schedule to have 4 or 5 classes before lunch and one school lunchtime like Desert Mountain. It would help to have lunch later in the day to let the seniors get their classes done early and then leave campus. The challenge is finding room for all the students to eat at the same time. Request to consider and discuss at next meeting.
Student Enrollment Update: We gained 23 new students and lost some due to various reasons. New Facilities Manager is in place. Looking for an assistant for him. We have two new teachers bringing us to fully staffed for teachers. We are experiencing numerous plumbing issues. Requests are in for plumbing work to be completed.

PTO Update: Betsy Fisher-Pai – Working on Chaptown Love which is funding for student activities. Also focusing on staffing the PTO board for next year.

Student Council Update: Mr. Pantier gave a report that Stugo is planning an assembly next week. After that they will be working on Prom and Graduation.
