

December 5, 2019 Meeting

Purpose of the meeting:

Representatives from the remaining Publisher, for the Japanese language, made a presentation to the grade level/course groups illustrating the ins and outs of their program(s).

Points of discussion:

- Break Out Groups:
 - Each vendor representative presented for exactly 60 minutes.
 - Committee members were able to take notes on the rubric and assign a rubric score for each publisher.
 - Rubrics were collected after each presentation. At the conclusion of the last presentation all scores were recorded.
- Homework:
 - Committee members were asked to share with their community any notes they took from the Vendor Presentations. Members will bring feedback on December 16 when we meet again to confirm a final recommendation to bring to the Board.
 - Identified materials will continue to be on display through January 16 for Community Members to review. Committee Members are asked to publicize this information to their school/community members.
