# Math Adoption Vendor Presentations

## Algebra III, Trig/HonTrig and DiffEQ Note Sheet

### Pearson

- \*Blitzer Algebra w/Trig 6<sup>th</sup> edition,
- \*PreCalculus (6<sup>th</sup> ed.) By Blitzer,
- \*Precalculus, Graphical, Numerical, Algebraic Common Core (10<sup>th</sup> ed.) by Demana, Waits, Foley, Kennedy, & Bock
- \*Fundamentals of Differential Equations by Nagle, Saff, & Snider
- \*A Graphical Approach to Precalculus with Limits (7<sup>th</sup> ed.) by Hornsby, Lial, & Rockswold
- \*Precalculus – Enhanced with Graphing Utilities (7<sup>th</sup> ed.) by Sullivan

|                                                                                                                                                                                                                                                                                           |              |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
