POLICY ADOPTION

Adoption of new policies or the revision or repeal of existing policies is the responsibility of the Board. The Board shall adhere to the following procedure in considering and adopting policy proposals to ensure that they are fully studied before final action:

- First meeting - the proposal shall be presented for review.
- Second meeting - the proposal shall be presented for discussion and action.

During discussion of a policy proposal, the views of the public, staff members, and the Board may result in changes. A change shall not require that the policy go through an additional review except as the Board determines that the change requires further study and that an additional review would be desirable.

Policies may be adopted or amended at a single meeting of the Board provided the reasons are clearly stated and recorded in the minutes.
