3. Review and Approval of Meeting Minutes from February 9, 2023

Johanna Kaiser, Secondary Science Coach

- A motion was made by Lori Kelly and seconded by Paula Sabato to approve the minutes as written from February 9, 2023. Motion passed, minutes were approved.

4. Review Agenda and Norms

Johanna Kaiser, Secondary Science Coach

- Committee reviewed the agenda and committee norms.

5. Information on Process and Resources for Reviewing Open Education Resources

Johanna Kaiser, Secondary Science Coach

- Committee members received information on how to access proposed Open Education Resources (OERs) for review and were reminded of resources available to support their review of materials.

6. Open Education Resources Review

Johanna Kaiser, Secondary Science Coach

- Committee members organized into Life Science, Physics, Chemistry and Middle School subgroups. To support volume control, the Middle School group moved from the Media Center to the room next door.

- During this period, groups reviewed OERs, engaged in group discussions about the materials, and individually scored/rated materials using the Secondary Science Curriculum Adoption Committee Curriculum Review Rubric.
- Groups and individuals reported having the opportunity to review approximately 2-4 OER materials.
- As a whole group, the committee discussed the benefits and challenges of OERs and the role an OER may serve in the overall curriculum adoption process.
