SAGUARO HIGH SCHOOL

SAGUARO
Community Commitment

The Saguaro community will increase collective capacity by providing a focused vision of the community commitment to a culture of respect for educational integrity.

Capable
Appropriate
Trustworthy
Supportive

RELATIONSHIPS

- We will uphold a culture of respectful behavior

RIGOR

- We will increase student opportunity for exposure to rigorous content through collaborative work

RELEVANCE

- We will ensure horizontal and vertical articulation

SAGUARO

C.I.P Goals

- By Spring 2018, the number of 9th grade students scoring proficient on AzMERIT will increase 8% in Math and ELA.

- By Spring 2018, the number of 10th grade students scoring proficient on AzMERIT will increase 8% in Math and in ELA.

- Saguaro High School staff will regularly engage in meaningful communication regarding student learning and campus updates.

- Saguaro High School staff will meet the needs of individual learners by promoting a safe and supportive learning environment. Faculty, staff and teachers will promote PBIS strategies

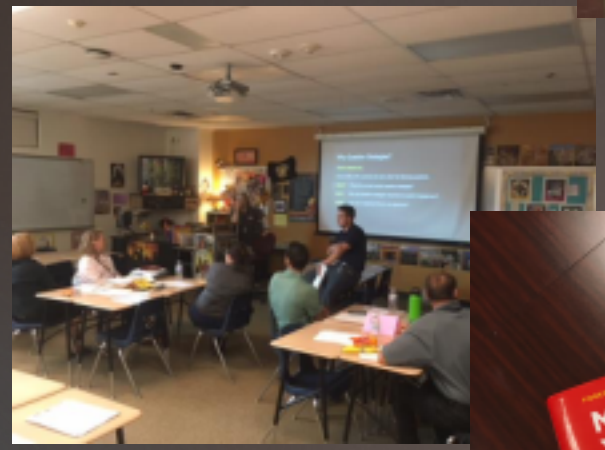
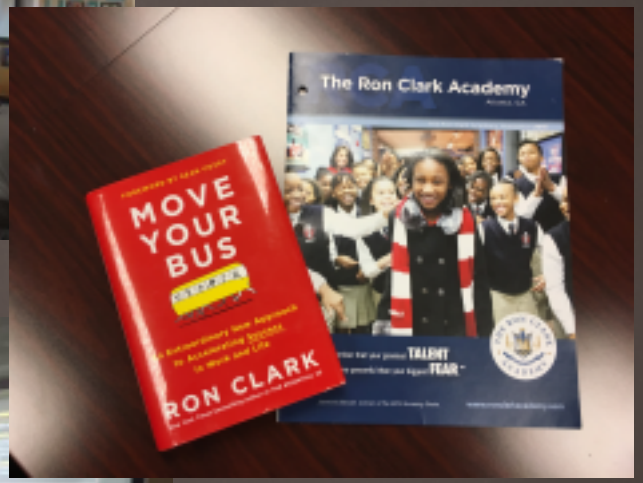
ENGAGEMENT STRATEGIES

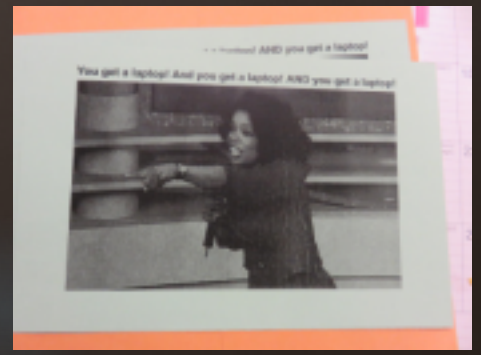
- Teachers were provided PD on engagement strategies led by our instructional leaders.





PLC's/CFA's

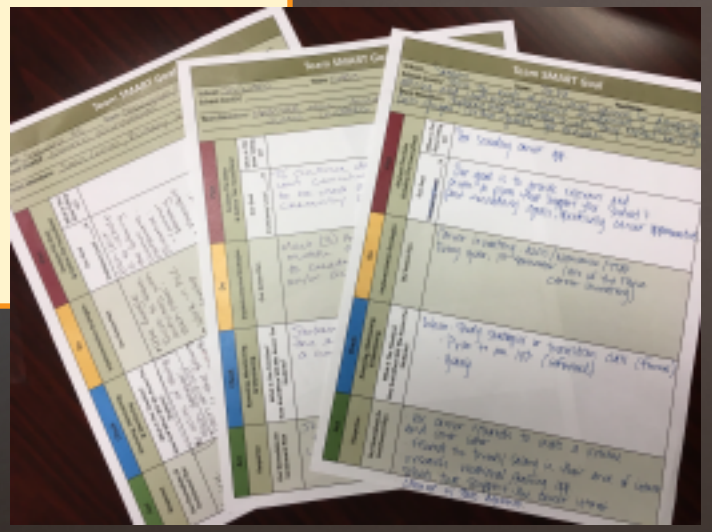
- Teachers were provided PD on PLC's to kick off the new school year. Then again by AP's about data collection and analyzation.



SAGUARO
Professional Development

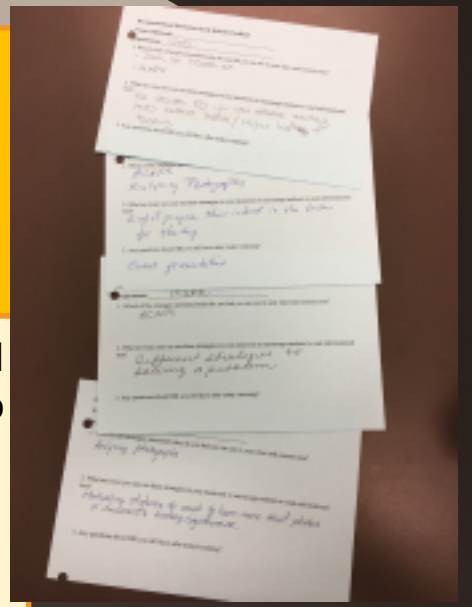
SMART GOALS

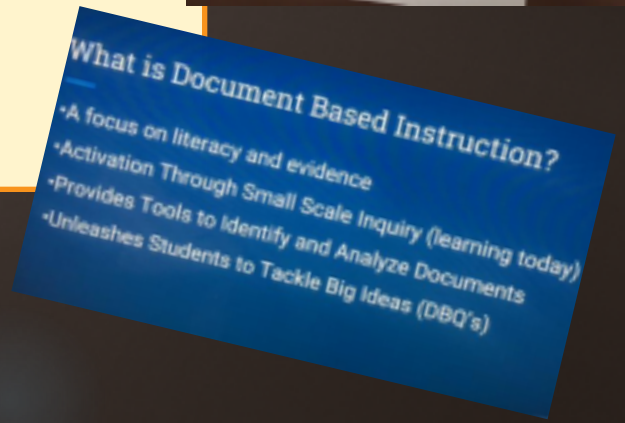
- Teachers designed SMART Goals for student success specifically within in the area of 9th and 10th grade AZMerit improvement.



DOCUMENT BASED INQUIRY (DBI)

- To create more of an inquiry based classroom teachers were trained to provide students with primary sources and pictures to produce higher level thought.

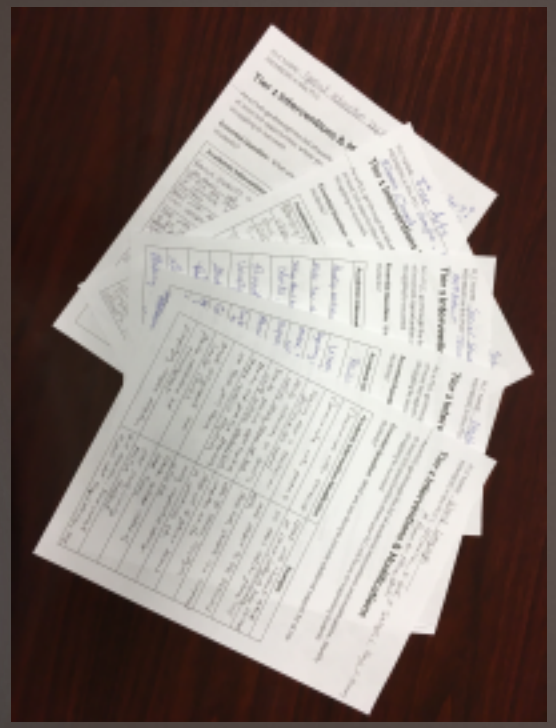




SAGUARO
Professional Development

ACADEMIC INTERVENTION STRATEGIES

- Discussed strategies to help support students needing interventions.
- Brainstormed other strategies and ways to implement these different strategies.



VERTICAL AND HORIZONTAL ARTICULATION

- Middle and High School teachers collaborated to gain awareness of curriculum at each grade level as well as High School teachers in content areas to help identify connections and gaps between grade levels and content.
