AGENDA:

This is an emergency meeting to vote on Tax Credit Funding for Unitown.

Unitown is a yearly event where students interview for a spot for the experience. The event takes place at Camp Friendly Pines in Flagstaff. There are 60 students and adults represented equally from each of our high schools.

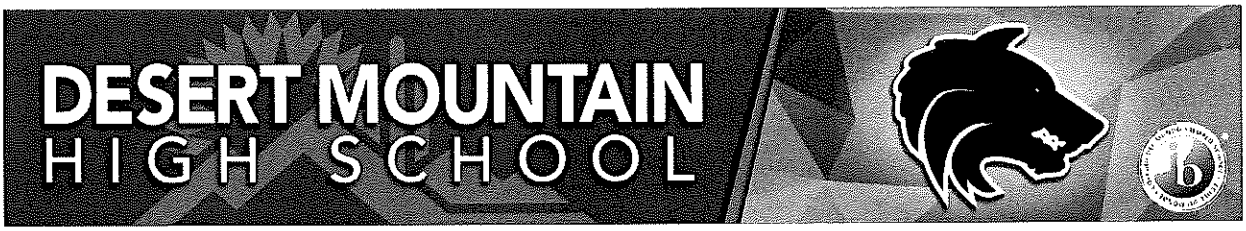

This year we have a budget shortfall, and each school needs to contribute evenly, we need to approve $2,972.00 from General Fund Tax Credit.

This money covers stipends for the teachers, accommodations, and transportation. Each student has paid into the fund already and the shortfall comes from past years where there was funding from a grant. We should have the grant funding for next year, so this is a one time issue.

If you can please email me back with a yes or no vote, then I can tally the votes once we have a quorum and approve the funds or not. Thank you, Lisa
