Honors College: Barrett, the Honors College requires a separate application. (Application will be available early September)
Go to https://barretthonors.asu.edu to apply. Students must have finished an application to ASU to apply to Barrett, but do not need to have an admission decision to complete the Barrett application.
You must be admitted to ASU for your Barrett application to be evaluated.
Early Action Deadline – November 1st, notification December 21st
Regular Decision Deadline – January 15th, notification March 10th
Admissions Contact: Michelle Hollin Michelle.Hollin@asu.edu
Students are encouraged to live in the Barrett Honors communities their first two years, but students can live there all four years.

Cost:

Obama Scholars: www.students.asu.edu/faq/am-i-eligible-obama-scholars-program
Special Financial Assistance Programs: https://tuition.asu.edu/special-financial-assistance-programs-arizona-residents

Scholarships: ASU is completely Test Optional. Merit scholarships are awarded automatically based upon unweighted core GPA, and SAT/ACT test scores if test scores are submitted; test scores will only be used if they benefit the student..

Additional scholarships are available through the scholarship portal as well as through different departments. Each scholarship has a separate application process. Students are encouraged to research scholarships over winter break. Be aware that many of the scholarships close in February and March. Go to https://students.asu.edu/scholarships for more information.

Financial Aid: The FAFSA is available online at https://fafsa.gov/ beginning in October. Students are encouraged by ASU to submit their FAFSA by January 1st, but we believe you should do it as early as possible in October to establish your place in line. Student may be asked for further documentation after FAFSA is received, so check your myASU regularly for notification. Go to https://students.asu.edu/financialaid/apply/freshmen for complete steps.

Housing: After paying the enrollment deposit, students can access the My Housing portal through their MyASU to complete a housing application and register for orientation.

Visit: If interested in visiting the campus, students should go to https://visit.asu.edu/. Most visits include an informational session, a tour of the campus, and an academic session in the major of their choice. Visits are offered weekdays and some Saturdays.
