

Coaching Cycle: The Impact Cycle

The Impact Cycle offers a framework and structure to help facilitate our work together.

Goals:

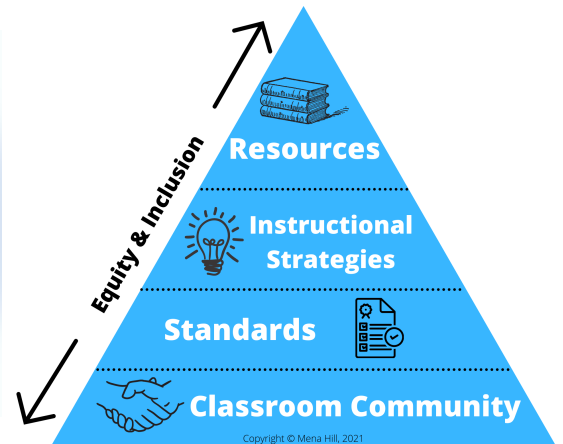

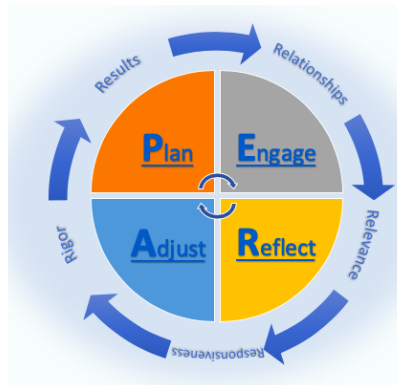

- * Partner with teachers to set and reach powerful student-focused goals that have sustainable change
- * Promote positive change for professional and instructional growth

1. Get a clear picture of reality & select a student-centered goal
2. Choose instructional strategy & how to partner with the coach
3. Implement instructional strategy & monitor student progress

Instructional Foundations & Focus

Optional Focus Areas Include:

1. Classroom Community
2. Standards
3. Instruction
4. Resources
