

The Liberty Memorial Building Celebrates 100 Years

This fall marks the beginning of the 100th school year in the Liberty Memorial Building, 1923-2023. The public is invited to recognize this milestone at 2 p.m., Sunday, November 12, as we rededicate the World War I memorial and laud the students, staff and teachers who have called the building their school home.

Celebrate With Us

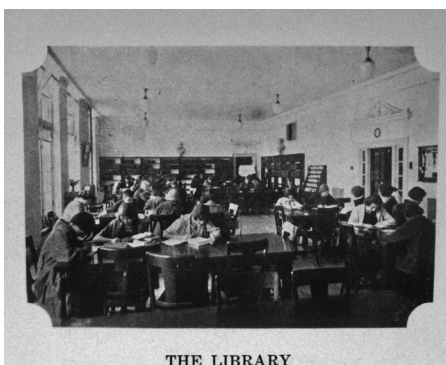

Celebrate 100 years of our vibrant school with beloved former and current teachers, administrators and students as we rededicate the WWI memorial. The ceremony will start at 2:00 p.m. in the auditorium and will be followed by an open house until 5:00 p.m. Explore historical artifacts, tour the building and enjoy light refreshments while reuniting and reminiscing with classmates, educators and members of the LMCMS community.

Join the Alumni Choir

THE LIBRARY

THE AUDITORIUM

The Liberty Memorial Building first opened as a school in the fall of 1923 at 1400 Massachusetts Street in Lawrence, Kansas. Built to serve as Lawrence's high school and a memorial to local young men lost in the First World War, almost 700 students attended Liberty Memorial High School beginning August 27, 1923. Through the decades, the building has been renamed as Lawrence Junior High School, Central Junior High School and Liberty Memorial Central Middle School, but it has not wavered from its purpose of housing the teaching and learning of Lawrence students.
