As required by the Kansas State School Athletic Association, all students participating in athletics and cheerleading must be protected by accident insurance for catastrophic injuries exceeding **$25,000**. This coverage is provided by the athletic participation fee paid by each participant.

In addition, *school policy requires* that all participants in school sponsored activities provide proof of medical insurance coverage for treatment up to **$25,000**.

Compliance with this regulation can be accomplished by one or both of the following options:

OPTION 1++ Provide the company name and policy number of the insurance carrier providing medical insurance protecting the student participant.

OPTION 2** Purchase individual, voluntary, student insurance coverage from the insurance plans made available to Lawrence Public Schools' students through an independent carrier. (Information provided by the insurance company is available in the school office)
Coverage is limited – you are encouraged to read the policy carefully and check with the company for details.

I have read the above policy and will comply with the conditions of self-acceptance for participation in school sponsored activities as follows:

++OPTION 1 I certify that _____ is protected by medical insurance for treatment **up to at least $25,000**:
(s**tudent name)**

Company Name _____ Policy/Group Plan Number_____
(**required information)** **(required information)**

COMPLETE OPTION TWO <u>ONLY</u> IF YOU PURCHASED INSURANCE PLAN AVAILABLE TO LAWRENCE PUBLIC SCHOOL STUDENTS THROUGH AN INDEPENDENT CARRIER

****OPTION 2** I certify that _____ (student name) is protected for medical treatment **up to at least $25,000** through an individual, voluntary, student insurance plan and that application has been submitted **to the Company** with the required premium for this coverage. ***PROOF OF COVERAGE REQUIRED FOR OPTION 2***
