

South Whidbey Food Service Monthly Summary

March Spotlight 2023

Our High School Cafeteria recently finished off it's new look with hanging signage to designate each station.

We think it looks amazing!

Discovery Kitchen this month was a Baja Taco. This vegan dish gave an energy boost using a variety of beans, spices and whole wheat tortilla.

Our Mood Boost in March was a Pumpkin Spice Smoothie!

Our staff has done an amazing job of staying focused on feeding students. We have served a total of 47,607 meals to students since the start of the school year. We are looking forward to some nicer weather and hopefully more produce from our wonderful farm!

Sincerely,
Rachael Mathews
