# Sixty-Eighth ANNUAL REPORT

### Inter-Lakes School District Meredith ~ Center Harbor ~ Sandwich New Hampshire

For the fiscal year ending June 30, 2023

March 6, 2024

Great Schools ~ Strong Communities ~ Personal Success

# INTER-LAKES SCHOOL BOARD ~ PHILOSOPHY OF EDUCATION

Public schools are shaped by and, in turn, shape the society that administers them. As such, the schools should be sensitive to the needs of the community while being ever mindful, that ultimately, they must produce individuals with the ability to evaluate and change that society for the common good. The schools must provide the opportunity for each student to become aware of his or her own innate abilities while, at the same time, imparting knowledge, stimulating curiosity, encouraging creativity and teaching the principles of reasoning and logical thought.

Adopted: May 10, 1982

## INTER-LAKES SCHOOL DISTRICT ~ VISION STATEMENT

The Inter-Lakes School District, in partnership with its communities, will provide outstanding educational opportunities and resources for all students to achieve academic excellence in order to reach their highest potential and to succeed as responsible, contributing citizens in a global society.

## INTER-LAKES SCHOOL DISTRICT ~ MISSION STATEMENT

Is to inspire and sustain learning and achievement by providing:

- quality teaching practices
- student-centered learning
- > a safe environment
- community connections
- access to resources

# AN INVOCATION FOR THE ANNUAL SCHOOL DISTRICT MEETING

We give thanks that we live in such a lovely place, among such good neighbors. We come now, as stewards of this heritage to do the business of our community. We hope that we have the courage of our convictions, but are gentle with one another, respectful of views we do not share, mindful of the faint but humbling possibility that we may be wrong. We hope for wisdom, brevity and restraint when we have nothing to say, but are overcome with the urge to speak. We are thankful for this opportunity to actively participate in democracy and our community.

### ~Adapted from the words of Leroy "Lee" Rouner~

Reverend Leroy "Lee" Rouner (1930-2006) was a long-time resident of Sandwich and professor of theology at Boston University. He studied at Harvard College as an undergraduate, received a graduate degree at Union Theological Seminary in New York, and went on to earn on a doctorate degree in philosophy at Columbia University. Born and raised in New Hampshire, Dr. Rouner traveled, taught, and lived abroad around the world. Upon returning to the United Sates, Dr. Rouner taught philosophy and religion at Boston University for more than 30 years. In 2003, Dr. Rouner retired from Boston University, and moved to Sandwich, New Hampshire with his wife to spend his days writing, hiking, swimming.

#### INTER-LAKES SCHOOL DISTRICT ANNUAL MEETING CENTER HARBOR, MEREDITH, SANDWICH MARCH 9, 2023

The Annual Meeting of the Inter-Lakes School District was held on Thursday, March 9, 2022, at Inter-Lakes Middle/High School Community Auditorium.

At 6:04 pm. Inter-Lakes School District Moderator Patrick Kelly called the meeting to order. School District Moderator Kelly offered an invocation adapted from the words of Leroy "Lee" Rouner.

Paolo Cao, the student body representative on the Inter-Lakes School Board led the Pledge of Allegiance. Inter-Lakes High School Seniors Haley Pimley, Emily Waldron, Hannah Coleman, and Olivia Richards of sang their rendition of the National Anthem.

The Moderator stated that the meeting would be recorded this evening, and that this meeting would not be conducted under Roberts' Rules but rather those listed in the Annual Report.

The meeting was turned over to Chair Lisa Merrill, who shared a brief statement. In the past few years we have seen many challenges: a deadly virus, remote learning, mental health and special education repercussions, etc. We have recently renegotiated our CBA for teachers. The consumer pricing index is rising. Oil and electricity are rising and made the budget much higher. Please understand that this evening you, the taxpayers, get to ask questions on each Warrant Article. This is the finest example of how our democracy works.

The meeting was turned over to Moderator Patrick Kelly. Patrick Kelly read the rules.

- a. Anyone wishing to make a motion, second a motion, or wishing to speak on an Article must first be recognized by the Moderator.
- b. All speakers must address the Moderator; there will be no cross-floor debates.
- c. When recognized, please go to the microphone. State your name and town of residence before making or seconding a motion, or speaking on an article.
- d. A motion to "call the previous question" can cut off debate and, if seconded, must be voted on immediately. The motion is not debatable and so a two-thirds favorable vote is required.
- e. Voting will be done by a show of voting cards.
- f. Seven voters may challenge the declared vote on any Article, before the next Article is brought up, then a secret ballot must be held.
- g. If a secret ballot is desired on any Article, a written request signed by five voters (in attendance at the meeting) is required and presented to the Moderator.
- h. Any Article may be legally amended; each amendment will be discussed independently and acted upon before the Article is called.
- i. A motion to reconsider any Article may be made at any time prior to the final adjournment and the Article would be taken up again immediately unless protected by a vote to restrict reconsideration.
- j. Five voters (in attendance at the meeting) may request a recount of a secret ballot before the next Article is taken up. (The vote margin must be less than 10% of the total votes cast.)
- k. Only registered voters may vote.

- l. Only registered voters, school officials and district's attorney may speak to questions, unless the meeting votes to allow anyone else to speak.
- m. The Moderator can be overruled by a simple majority vote. Any challenger will be recognized and no second is required. The challenger has the right to state his or her reasons for the challenge.
- n. RSA's (Revised Statutes Annotated), which are state laws, cannot be overruled by the meeting.

#### Article 1

The Moderator read Article 1.

It was moved by Howard Cunningham, Member-At-Large and seconded by Duncan Porter-Zuckerman, Sandwich to see what action the District will vote relative to the reports of Agents, Committees or Officers chosen.

Article 1 carried in the **affirmative** by a show of voter cards.

#### Article 2

The Moderator read Article 2.

It was moved by Duncan Porter-Zuckerman, Sandwich and seconded by Mark Billings, Meredith to set the salaries of District officers for the coming year as follows:

Moderator	\$100.00
School District Clerk	\$20.00 per hour
School Board Chairperson	\$1,800.00
School Board Members (6) each	\$1,500.00
District Treasurer	\$1,500.00

Article 2 carried in the **affirmative** by a show of voter cards.

#### Article 3

The Moderator read Article 3.

It was moved by Charles Hanson, Center Harbor, and seconded by Nancy Starmer, Sandwich to see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Inter-Lakes Cooperative School District and the Inter-Lakes Education Association which calls for the following increases in salaries and benefits at the current staffing level:

Year 2023-2024	\$ 566,332
Year 2024-2025	\$ 496,645
Year 2025-2026	\$ 443,730

and further to raise and appropriate \$566,332 for the 2023-2024 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels.

Article 3 carried in the **affirmative** by a show of voter cards.

#### Article 4

The Moderator read Article 4.

It was moved by Nancy Starmer, Sandwich and seconded by Charley Hanson, Center Harbor to see if the school district, if Warrant Article 3 is defeated, will authorize the governing body to call one special meeting, at its option, to address Warrant Article 3 cost items only.

Article 4 was not voted on - Article 3 passed.

#### Article 5

The Moderator read Article 5.

It was moved by Lisa Merrill, Meredith and seconded by Charley Hanson, Center Harbor to see if the District will vote to raise and appropriate the amount of \$30,666,251 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment of statutory obligations of the District.

Lynn Montana of Meredith asked why the Moderator has not been opening up the floor to discussion. The Moderator stated that he forgot to do so.

The Moderator opened up the floor to discussion of the Motion.

Ms. Montana said that a couple of years ago when the school board first presented one-million-dollar budget or slightly more, she asked the School Board if the budget would continue to increase by this much every year thereafter, and they said no. However, the budget has increased each year by a substantial amount, like they said it wouldn't. Ms. Montana expressed concerned because if this is the precedent set for the last few years, the budget might be jumping a million and a half in another year or two, and then two million, and then it starts to get ridiculous. Ms. Montana asked how many students are enrolled in the District. Mrs. Moriarty said there are about nine hundred and twenty (920) students currently enrolled.

Ms. Montana emphasized that the thirty million dollars is for 920 students, while inform the town budget to run a 50 square mile area with over six thousand people is thirty-two million. She noted that the schools are not paying off any new buildings, only for maintenance and repairs, unlike the town of Meredith which is still paying off some new construction projects. She pointed out the SAU's budget of approximately one million dollars, and recalled that she can remember is being around \$250,000. As the school district's student population diminishes from 2000 to 900, the budget is going up a million dollars a year.

Ms. Montana expressed concern that citizens simply vote "yes" on the budget as presented every year because everybody's embarrassed to say anything against the school. Everyone wants a good school and the best teachers, but 30 million for 920 students is beyond the pale. She requested that this budget should be tabled, and that the Board should go back and design something else. For example, the District does not have to give raises to the Superintendent and Assistant Superintendent.

Lynn Montana of Meredith moved, seconded by Rudy VanVeghten of Meredith, that the vote on the budget be tabled and the School Board go back and draw a budget that is more in line with only 900 students, not one that's in line with a town of 6,000 people and 50 square miles and multiple government buildings.

Moderator Patrick Kelly opened up the floor to discussion of the Motion.

Kathleen Green, Sandwich, suggested that the discussion might best be put to the Superintendent, and requested that the Superintendent explain the complexities of the children the district is servicing.

Mary Moriarty stated that special education costs are a significant driver of the budget. In 2020-2021, the budget increased by nearly one million. Approximately \$466,000 was for special education needs. That year, the district also had approximately \$570,000 in deferred facilities maintenance that needed to happen. There was recently a law change, making it so that students with significant needs are now the school district's responsibility through the end of their 22<sup>nd</sup> year of life. There are a number of students that require out-of-district placements which are significantly costly, and in addition to the cost of those placements the students must

also be transported to and from their placements. Sometimes transportation costs more than tuition. The 2021-2022 budget increase of \$599,000 was in significant part driven by the New Hampshire Retirement System, which increased by \$440,000. Last year, the budget increased by close to \$600,000, with a major driver of the increase being the district's significant special education needs.

The Moderator called for a vote on the Amendment to the Article.

The Amendment **failed** by a show of voter cards. The Moderator returned to discussion of the original Motion.

Richard DeMark of Meredith expressed appreciation for the words of the maker of the amendment. This kind of increase is hard to swallow. But as stated earlier in the meeting, the Collective Bargaining Agreement was crafted at a time when the consumer pricing index was rising, inflation was rising, and costs for everything were going up. There are many external forces at play here, including health and dental insurance, special education; the operation of the plant; and transportation costs that are astronomical. Mr. DeMark notes that the district is fighting external forces but also fighting a system in New Hampshire rigged against public education, and the answer is by voting for who is sent to Concord and to Washington, because right now they're not doing their job and providing the resources needed for public education. Mr. DeMark expressed support for the budget as presented.

Article 5 carried in the affirmative by a show of voter cards.

#### Article 6

The Moderator read Article 6.

It was moved by Mark Billings, Meredith and seconded by Howard Cunningham, Member-At-Large to see if the District will vote to raise and appropriate up to \$250,000 to be placed in the previously established Inter-Lakes School District Facilities Maintenance Expendable Trust, with such amount to be funded from the June 30, 2023 unreserved fund balance for transfer on July 1, 2023, with no amount to be raised by taxation.

The Moderator opened up the floor to discussion of the Motion. No comments were made.

Article 6 carried in the **affirmative** by a show of voter cards.

#### Article 7

The Moderator read Article 7.

It was moved by Nancy Starmer, Sandwich and seconded by Lisa Merrill, Meredith to transact any other business that may legally come before the meeting.

The Moderator opened up the floor to discussion of the Motion. No comments were made.

Article 7 carried in the **affirmative** by a show of voter cards.

The Moderator turned the meeting over to Chair Lisa Merrill.

Chair Merrill expressed gratitude for Mr. Howard Cunningham's dedication and years of service to the School District. Though Mr. Cunningham tried to retire a few times, he knew the District needed him, so he continued to serve. Mr. Howard Cunningham's service began in 1968. In addition to work as guidance counselor and a special education director, Mr. Cunningham spent close to twenty years serving on the school board. His tenure has been remarkable and left a lasting impact on this community.

Chair Merrill also expressed gratitude for Mr. Richard Hanson. Mr. Hanson was instrumental during Ms. Merrill's tenure on the board. Mr. Hanson began serving on the Inter-Lakes School

Board in 1999, and from 2010-2021 led the School Board as the Chair. In summer of 2021, he moved away from the area, ending his tenure on the school board. His commitment to having students at the center.

Mr. Hanson and Mr. Cunningham's commitment to the well-being of the Inter-Lakes schools and community have contributed greatly to the positive and productive work of the School Board and the success of the district's schools. Ms. Merrill thanked them for their unwavering sense of civic responsibility. There will be name plates recognizing Mr. Hanson and Mr. Cunningham for the school library.

It was moved by Lisa Merrill, Meredith and seconded by Howard Cunningham, Member-at-Large to adjourn the meeting at 6:39 p.m.

2023 Annual Report

### Inter-Lakes School District Tax Assessment Worksheet Fall 2023

#### Formula for Assessing Cost to Individual Towns

The formula for pro-rating the cost of capital outlay operation of the Cooperative School District shall by fifty percent (50%) apportioned on the basis of the ratio that the equalized valuation of each pre-existing district bears to the Cooperative School District and fifty percent (50%) apportioned on the average daily membership for the preceding year (pursuant to RSA 195:7-11).

After the expiration of the first five-year period measured from the date of the first annual meeting and after the expiration of each subsequent five-year period measured from the last date of change thereto, the basis of the apportionment of all such cost may be reviewed pursuant to an article for the purpose inserted into the warrant for a District Meeting, Basis for Formula II voted at the Annual District Meeting, March 7, 1961, and at the Annual District Meeting on March 7, 1967.

# **Career Partnership Program**

The Career Partnership Program (CPP), a collaborative initiative co-sponsored by the Greater Meredith Project (GMP) and the Inter-Lakes School District, provides middle/high school students the opportunity to explore future careers through job shadows, internships, and hands-on work experience. While the CPP collaborates with businesses across the State of New Hampshire, students have exclusive access to the full membership/business directory of the Meredith Area Chamber of Commerce (MACC). In 2022-2023, five students signed on for long-term internships with MACC members, with two of those students being hired by their host-business and completing certification programs in that field. In addition to supporting students by helping them discover potential career paths for future employment through its in-school guest speaker series, job fairs, career assessment eBook, and encouraging volunteer opportunities, experiential field trips, introduced in 2022, continue to expand and were popular with students in 2023. The CPP is very excited to be collaborating with Project Happy, a NH-based non-profit which looks to encourage and engage students with volunteer groups via a mobile social media application where students can search, find, and sign-up for volunteer activities in the Inter-Lakes region and beyond.

Career partnerships is just one of the many programs we offer to students to extend their learning outside of the Inter-Lakes classes and classrooms.

#### **Huot Career & Technical Center**

The Huot Career and Technical Center, a regional program for students at Laconia, Gilford, Belmont, Inter-Lakes, Franklin, Newfound, and Winnisquam Regional High Schools, provides career and technical education programs that offer:

New and different learning experiences which combine theory with hands-on learning.

- An opportunity to experience a variety of career choices.
- Instruction using up-to-date equipment and technology.
- The opportunity to develop positive work habits such as self-discipline, responsibility, self-esteem and teamwork.
- Connections to colleges and universities for advanced placement through Running Start and articulation.
- Opportunities to participate in field sites and internships.
- The option to earn industry recognized credentials.

HUOT programs are open to students in grades 10-12.

# Animal & Plant Science Winnisquam Agricultural Program

Winnisquam is home to a regional program in agricultural education. The Agriculture Center serves students from WRHS as well as Belmont, Franklin, Gilford, Inter-Lakes, Laconia and Merrimack Valley high schools. Our classes offer students the opportunity to learn about our world's food, fiber and natural resource systems. The program provides:

- Practical application of academic concepts
- Instruction using equipment standard to the industry
- Exposure to the numerous career options in agriculture
- Assistance in making college and career choices
- Leadership development through participation in the country's premier agricultural youth organization
- Development of skills vital to success in any place of employment
- Authentic connections to the community

# Youth Risk Behavior Survey (YRBS) 2021 Results-Received Spring 2023

The Center for Disease Control designs and administers the YRBS with New Hampshire Department of Education and New Hampshire Department of Health and Human Services

Who takes the survey? All students grade 9-12, bi-annually

#### **AREAS OF POSITIVE CHANGE:**

- + % of students who felt they had no caring adult in their life to talk to about their feelings was **30**% down in 2021 from **50**% in 2019
- + % of students who used a prescription drug without a prescription was **15**% in 2019 and is down to **5**% in 2021
- + Areas of Improvement over the past 5 years → students are making better decisions about their physical wellness (decreased drug use, good sleep, eating well, feeling safe...)

#### **AREAS OF CONCERN:**

- Sad/helpless (for more than two weeks): Inter-Lakes % was 30% in 2017, 40% in 2019 and up to 48% in 2021
- **Feelings of sad/hopeless:** increase of 20% in females, 35% in males
- Learners who have considered suicide: increase of 33%
- Learners who have 'made a plan' for a potential suicide: increase of 40%

# INTER-LAKES SCHOOL DISTRICT

# Growth & Proficiency Goals 2023-2024 School Year

### **EXECUTIVE SUMMARY**

The Inter-Lakes School District strives to enhance the overall quality of education to better prepare our learners for future success. It is through analyzing our data, setting goals, and tracking our progress that we are able to adjust strategies to ensure all learners are meeting high expectations of achievement.

Our overall proficiency is at about the State average. Within the averages, there are a few bright spots. For example, our K-2 grade level proficiency is strong in reading (about 10% above target level) and even stronger in mathematics (about 30% above target) and our post-COVID proficiency growth rates are in the top 25% of all schools in New Hampshire for English Language Arts and in the middle for Mathematics, so we're heading in the right direction.

We have been and are committed to academic excellence, which includes:

- Continuing our deep analysis of the data.
- Leading practice training for our dedicated professional educators targeted at our growth opportunities.
- Increasing time in the classroom focused on foundational Science, English,
   Mathematics, and preparation for state assessment exams.
- Rigorous monitoring and tuning of our program metrics.

We're confident this continued commitment will deliver the aggressive growth targets we've set as well as achievement of the established accountability goals set by the New Hampshire Department of Education:

- → NHED Accountability Goals as measured by NH SAS (Grades 3-8 & 11) and the SAT (Grade 11) and NWEA MAP Growth Spring (Grades K-2)
- → 70% of learners will meet their growth target as measured by the NWEA: Spring to Spring (K-8) and pre- and post- (Grade 9)
- Actions to Support Continuous Growth: pages 56-58
- Goals, Demographics, and Recent Performance: pages 59-63
- Definitions of Key Terminology: pages 64-65

#### **DISTRICT-WIDE ACTIONS**

- A comprehensive realignment of supervision and evaluation rubrics and implementation of a pilot evaluation model
- The formation of the Elementary Advisory Council (ILES/SCS Educator Leadership) and the Principal's Advisory Council (ILM/HS Educator Leadership)
- Compensated summer professional development to engage in a 4-year historical NH SAS Deep Data Dive
- Facilitated Collaborative Planning Blocks and Faculty Meeting time to focus on historical data analysis and SMART goal-setting
- Regular district communication of engagement opportunities for staff to attend state-sponsored professional development in the areas of math, science, english language arts, NH SAS modulars, data analysis, etc.
- Routine integration of the NH SAS modulars in the 2023-2024
   Assessment Menu
- All staff responsible for supporting the administration of the NH SAS completed the Test Administration Certification in the fall of 2023 in order to facilitate increased integration of NH SAS practice modulars
- Year two of offering opportunities to engage in Math Empowered professional development focused on developing engaging teaching practices
- Year one of piloting Self-Regulated Strategy Development for Writing,
   SRSD in all schools
- Year two of supporting the state-sponsored Language Essentials for Teachers of Reading and Spelling (LETRS) Professional Learning Courses
- Reallocation of human resources to support student growth and achievement in grade 7 during the 2024-25 school year

### INTER-LAKES ELEMENTARY SCHOOL ACTIONS

- Reconfigured the 23-24 Academic Schedule to include 30-minute, daily Response to Intervention blocks in English Language Arts and Mathematics
- Each grade level established a yearlong SMART goal based on trend data from a 4-year historical analysis of our statewide assessment results
- Year two of implementing Master Track as a diagnostic tool to identify gaps in mathematics skills
- Year five of the core program, Wonders, to support a coherent English Language Arts scope and sequence in grades K-6
- Year four of calibrating on the implementation of effective instructional practices in the area of literacy
- Year one of implementing a systematic core phonics program, 95%
   Group, in grades K-2 as well as in our intervention programming
- Professional learning for all K-2 educators to support the implementation of a new systematic core phonics program
- Transition to in-house data wall management overseen by district Reading Specialists
- Increased literacy oversight and instructional support provided by district Reading Specialists
- Growing Roots provides increased access to mental health services
- Guidance lessons are integrated and designed to proactively and responsively support school-wide needs
- Targeted alignment of science units in K-6 to align with the blueprint of the NH SAS

### **SANDWICH CENTRAL SCHOOL ACTIONS**

- Year four of calibrating on the implementation of effective instructional practices in the area of literacy
- Year one of implementing a systematic core phonics program, University of Florida, in grades K-2 as well as in our intervention programming
- Professional learning for all K-2 educators to support the implementation of a new systematic core phonics program
- Transition to in-house data wall management overseen by district Reading Specialists
- Increased literacy oversight and instructional support provided by district Reading Specialists
- Guidance lessons are integrated and designed to proactively and responsively support school-wide needs
- Targeted alignment of science units in K-6 to align with the blueprint of the NH SAS

### **INTER-LAKES MIDDLE/HIGH SCHOOL ACTIONS**

- Transition to in-house data wall management overseen by district Reading Specialists
- Increased literacy oversight and instructional support provided by district Reading Specialists
- Changes in the duration offerings for all grade levels of English courses at ILM/HS during the 2024-25 school year from semester to year-long as an option for all learners
- Changes in the ILM/HS Program of Studies to increase graduation requirements from 2 credits to 2.5 in Science with the addition of Earth and Space Science based on trend data from a 4-year historical analysis of our statewide assessment results
- One day weekly time during Advisory to prepare grade 11 learners for the NH SAS
   Science assessment and the testing platform
- Growing Roots provides increased access to mental health services
- Guidance lessons are integrated and designed to proactively and responsively support school-wide needs

2023 Annual Report

### **DEMOGRAPHICS**

During the 2023 school year, the Inter-Lakes School District fell within the Middle 50% of the State for the percentage of economically disadvantaged learners, at 28.84%. This fell at about the state average of 27%. Each dot in the graph below represents a school or district within the state of New Hampshire.

During the 2023 school year, the Inter-Lakes School District fell within the Middle 50% of the State for the percentage of learners with a disability, at 18.75%. This fell at about the State average of 18.91%. Each dot in the graph below represents a school or district within New Hampshire.

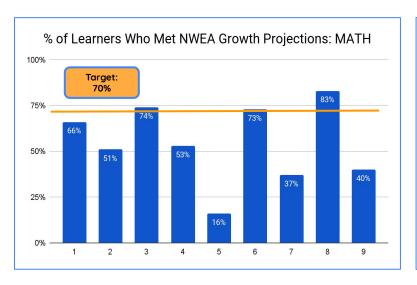

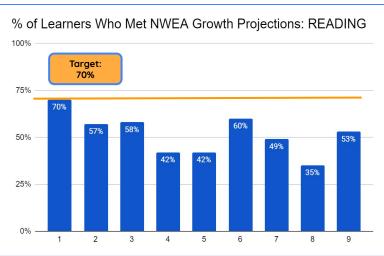

# **Measurements of GROWTH**

Our district has created growth goals, in addition to proficiency goals.

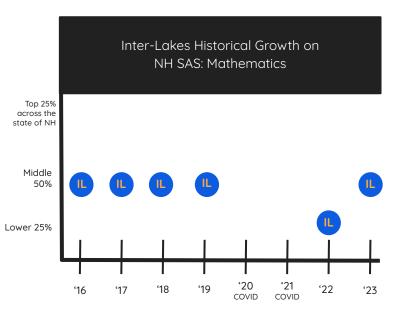

→ 70% of learners in grades 1-9 will meet their growth target, established by their course pre- and posttest results in ELA, Mathematics, and Science during the 2023-24 school year.

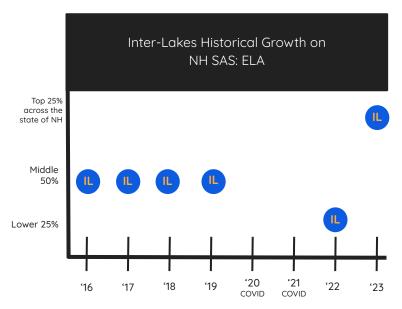

Looking back at our growth data from spring '22 to spring '23, grades 3, 6, and 8 in Mathematics and grade 1 in Reading all exceeded 70%.

Each year the NHED, analyzes the Mean Growth Percentile, a measurement of academic growth, which compares students' growth with that of their academic peers. The graphs below show how our district's growth compares to all other districts across the state of NH.

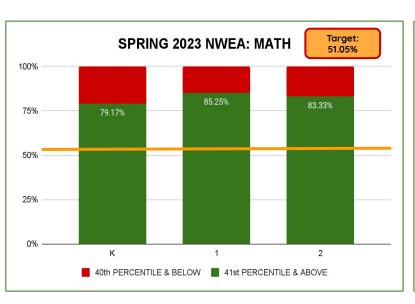

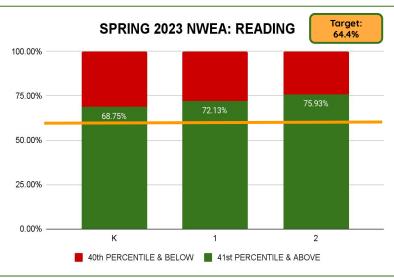

### **Measurements of PROFICIENCY**

Our district proficiency goals are in alignment with the targets set forth by the NHED.

- $\rightarrow$  By spring 2024, 51.9% of learners in grades K-2 will demonstrate proficiency in Mathematics as measured by the NWEA.
- → By spring 2024, 66.11% of learners in grades K-2 will demonstrate proficiency in Reading as measured by the NWEA.

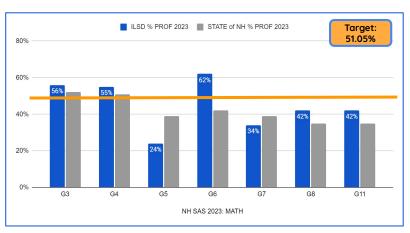

The graph below reflects the proficiency targets as well as our results from spring of 2023.

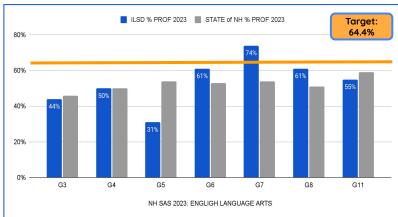

- → By spring 2024, 51.9% of learners in grades 3-8 & 11 will demonstrate proficiency in Mathematics as measured by the NH statewide assessment, NH SAS & SAT.
- $\,\to\,$  By spring 2024, 66.11% of learners in grades 3-8 & 11 will demonstrate proficiency in English Language Arts as measured by the NH statewide assessment, NH SAS & SAT.

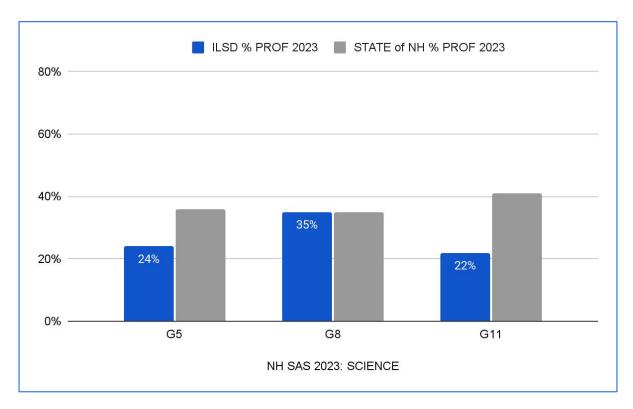

Last spring, in Mathematics, grades 3, 4, and 6 exceeded the statewide proficiency goal. Grades 3, 4, 6, 8, and 11 exceeded the statewide average proficiency. In ELA, grade 7 exceeded the statewide proficiency goal. Grades 4, 6, 7, and 8 met or exceeded the statewide average proficiencies. Please note that the NHED provides the option for families to opt out of statewide assessment, although the federal government requires a participation rate of 95% per school. Last spring, 23 learners opted out at Inter-Lakes, representing 5% of our testing population.

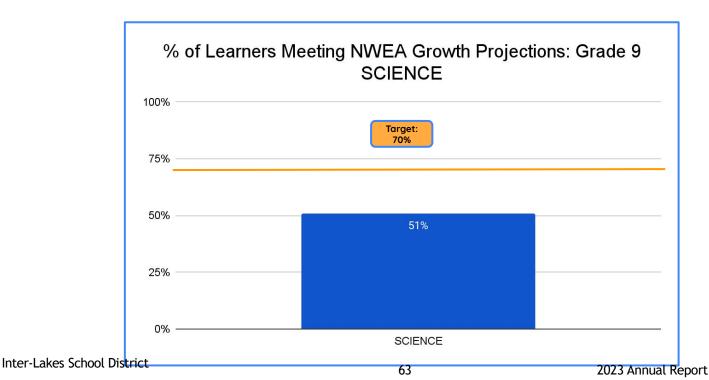

# Science Snapshots of GROWTH & PROFICIENCY

While the State of New Hampshire assesses learners in Science in grades 3, 5, and 11, these results are not part of Federal Accountability reporting requirements. We routinely analyze our proficiency performance as measured by the NH SAS in order to inform decisions and promote continuous improvement. Looking back at our 2023 results, grades 5 and 11 fell short of the State average while grade 8 met the State average.

In addition to proficiency goals, we also monitor learner growth as measured by the NWEA. The pie chart below shows our results from 2023.

# **Definitions of Key Terminology**

**COLLABORATIVE PLANNING BLOCKS, CPBs:** Planning time during the school day that is used for collaborative work on the implementation of practices that support high quality learning experiences as organized by the Building Principal.

**DATA WALL:** The data wall is a grade-level, organized collection of each of our learners historical assessment results from all required and recommended assessments that are administered. The wall is visually coded to reflect areas of celebration as well as of concern and is used to focus reflections and conversations with our educators. Our Reading Specialists manage our data walls in each of our schools.

**GROWTH TARGET:** The growth target is an individualized goal that is set for each learner based on their historical performance data. The target is a prediction of how much a learner will grow over a specified time period. The prediction is based on the average performance of learners and considers the baseline score, grade level, and the when in the academic year the two tests used to estimate growth are administered.

LANGUAGE ESSENTIALS for TEACHERS of READING and SPELLING, LETRS: LETRS training is comprehensive professional learning designed to provide early childhood and elementary educators with deep knowledge to the literacy and language experts. Teachers learn the skills needed to master the foundational and fundamentals of reading and writing instruction: phonological awareness, phonics, fluency, vocabulary, comprehension, and written language.

**MATH EMPOWERED:** Karolyn Wurster, Founder of Math Empowered has applied the research of Dr. Peter Liljedahl's <u>Building Thinking Classrooms in Mathematics</u> in a wraparound professional development experience for educators organized across the state; this includes active instructional modeling, coaching and feedback as well as resource development.

**NHED:** The **N**ew **H**ampshire **E**ducation **D**epartment oversees the state's public school system and is headquartered in Concord, NH. The NHED is led by the Commissioner of Education.

NH SAS: The New Hampshire Statewide Assessment System refers to the general assessment of English Language Arts, Mathematics, and Science used across the state of New Hampshire. The NH SAS is developed by Cambium Assessment and has been the statewide assessment since 2016. This assessment is administered in grades 3-8 in English Language Arts and Mathematics as well as in grades 5, 8, and 11 in Science. The Scholastic Aptitude Test, or SAT, became the statewide assessment in 2016 and this is administered during grade 11 as an assessment of English Language Arts and Mathematics. The statewide assessment system includes alternative assessments which are used to measure the growth and proficiency of learners who receive specialized educational services. These assessments include: the World-class Instructional Design and Assessment, WIDA to measure language proficiency of our multilingual learners and the Dynamic Learning Maps, DLM which measures what our learners with the most significant cognitive disabilities know and can do in the areas of English Language Arts, Mathematics, and Science.

# **Definitions of Key Terminology**

NH SAS MODULAR: The New Hampshire Department of Education works to provide our educators resources to help prepare our learners for the statewide assessment, such as scoring rubrics, standard blueprints, sample student work, and key vocabulary lists. The modular is a practice environment on the computer that mirrors the statewide assessment experience. These practice questions help our learners to understand how to navigate the computer and all of the various tools available to support them, such as spellcheck, embedded calculator, and dictionary access. For our learners on a 504 or IEP, this is also a great way to practice any accommodations that are set up on the platform. Teachers receive the results of learner performance and can use that information to continue to drive instruction.

**NWEA:** The Northwest Evaluation Assessment is used as a local assessment tool that helps educators identify unique student learning needs, track skill mastery, and measure academic growth over time. The suite of assessments includes the Measures of Academic Progress, MAP Growth and the MAP Reading Fluency assessments. These assessments are used in grades K through 9 in Reading and Mathematics as well as in grade 9 Science.

**RESPONSE TO INTERVENTION**: Response to Intervention, RTI, refers to specialized time during the school day when instruction is delivered in one-on-one and/or small groupings in response to learners' instructional needs in a classroom. This kind of instruction is different from whole-class instruction when all learners are receiving the same core instruction. Educators monitor student progress closely and provide interventions to learners who are struggling and enrichment to those who are meeting grade-level expectations.

SMART GOAL: The SMART Goal is a structure used by many organizations to help construct clear goals that are specific, measurable and actionable. The acronym SMART provides guidance on the construct of the goal statement, identifying the 5 criteria: Specific, Measurable, Achievable, Relevant, and Time-Bound.

SELF-REGULATED STRATEGY DEVELOPMENT for WRITING, SRSD: The Self-Regulated Strategy Development is an approach geared to improve students' academic skills through a six-step process that teaches learners specific academic strategies and self-regulation skills. This process is designed to help students learn, use, and adopt the strategies used by skilled writers.
