

MC PERFORMING ARTS PRESENTS

GODSPELL

APRIL 25, 26, 27 - 7 PM

Youth Ensemble!

Calling all performers grades 5-8! We are looking to create a youth ensemble to perform in some songs/scenes in our production of Godspell! We are setting our production in Times Square, New York, and are looking for performers of many ages to help create the bustling crowds. If you are interested in participating or learning more information, please contact Amy Bauer at abauer@morrisccatholic.org. This is a great opportunity to perform in a full-scale high school production!
