

March

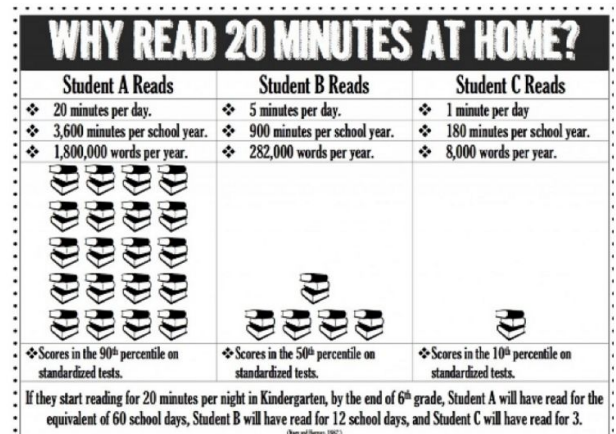

Hello AC families,

We're thrilled to share the excitement from last month's Math and Science Night! Our event was elevated to new heights with the inclusion of the Zoo, showcasing the marvels of nature's slowest animals. With a fantastic turnout of over 650 attendees, it was an evening brimming with curiosity and exploration! Thank you to everyone who joined us for this unforgettable celebration of learning and discovery. You can follow the link to images from the evening: [LWXK](#)

As we move forward into March, let's carry this spirit of curiosity and discovery with us in all our endeavors!
