

FIRST AMENDMENT TO MEMORANDUM OF UNDERSTANDING
Temple College Dual Credit Program(s)
2023-2024

The purpose of this Amendment to the Memorandum of Understanding between Temple College (TC) and the Independent School District (ISD) is to ensure compliance with the requirements of the State of Texas's FAST program.

The section entitled "TUITION AND FEES" shall be amended to include:

Effective for the Spring 2024 and Summer 2024 Terms

Dual Credit students will be billed at a rate of \$55 per credit hour for tuition. Students living outside of a Temple College taxing district will be charged a rate of \$10 per hour as an out-of-district fee. If applicable, additional course fees such as laboratory fees, certification exam fees, or insurance fees will be billed based on the College's fee schedule.

The Section entitled "Funding Sources" shall be amended to include:

Effective for the Spring 2024 and Summer 2024 Terms

Tuition: Tuition and fees, less funds received from the State for FAST-eligible students, shall be the responsibility of the ISD.

Required Textbooks and Course Materials: Textbooks and any required course materials are the ISD's responsibility. Temple College will provide textbook information through the Temple College Bookstore and course syllabi every semester. Digital textbooks and access codes that are billed as a course section fee at the time of registration will be billed to the ISD by the College. The ISDs may purchase other textbooks and course materials from their preferred vendor.

Billing Procedures: The College will bill the ISD for tuition, fees, and digital textbooks and access codes less any amount received from the State for FAST eligible students. An invoice, detailing those charges along with any amounts received by the State for FAST-eligible students will be sent following the course census date(s). Payment shall be remitted by the ISD via check, ACH, or wire, in accordance with the terms set forth in Texas Government Code Chapter 2251.

Student Reimbursement: The ISD, at its sole discretion, may choose to require reimbursement from any student that is not FAST-eligible for tuition, fees, books, or other course materials paid for by the ISD. Student reimbursement shall not be a condition of the ISD's payment for the amounts billed by the College to the ISD. The ISD may not require reimbursement for any costs from students that are FAST-eligible.

[Optional] **Special Billing Provisions Related to Courses Taught by Embedded Instructors:** Embedded Instructors are ISD teachers, credentialed by Temple College and compensated by their ISD. In exchange for the ISD offering stipends or other incentives to Embedded Instructors for the teaching of dual credit that are equivalent to those offered by the ISD to teachers teaching Advanced Placement (AP) or

International Baccalaureate (IB) courses, the College agrees to waive the balance of tuition, out-of-district fees, and course fees (other than books, digital textbooks and access codes) related to courses taught by an Embedded Instructor. This waiver includes the full amount of tuition, out-of-district fees, and course fees for students that are not FAST-eligible, and the balance after State payment for any student that is FAST-eligible. For courses taught by Embedded Instructors, the College will bill the ISD only for direct costs incurred by the College on behalf of the ISD, such as, digital textbooks and access codes procured through the College or course materials purchased by the College on behalf of the ISD.
