TIMELINE, APPLICATIONS/REFERENCES, and CRITERIA/INTERVIEW QUESTIONS

The principal will:

1. Chair the Interview Committee and ensure that the Open Meeting Law is followed during all procedures for filling vacancies.
2. Establish a timeline for filling each vacancy.
3. Review and screen all applications and references.
4. Decide on applicants to interview and check references taking into special consideration applicants with international, language, and/or cultural experiences and Fulbright teachers.
5. Arrange all interviews including calling special meetings if needed.

The Interview Committee will:

1. Develop a set of criteria for a strong candidate. These criteria will not discriminate based on gender, ethnicity/race, marriage or family status, religion, political affiliation, disability, age, or other illegal grounds.
2. Use the criteria they have developed to write standard interview questions that fit those criteria. These questions will be asked of all candidates in an in-person interview.

3. Determine if information in the written application or resume points to any specialized questions that should be asked of a particular applicant and develop those questions if they are necessary.

INTERVIEWS

The following procedures will be followed during scheduled closed session interviews:

1. All the standardized questions will be asked of each candidate in the same order.
2. Following the standardized questions, specialized questions (if any) and follow-up questions (if any) will be asked.
3. Following each interview, committee members will discuss how well each candidate meets the criteria and any other input requested by the principal which may include a prioritized list.

CONSULTATION WITH THE COUNCIL

After interviews are complete, in a closed session, the council will meet to discuss with the principal the findings of the Interview Committee and offer comments on the contributions each applicant could make and provide any additional input requested by the principal.

If a quorum of the council fails to attend this meeting, the principal may either call another meeting or declare an emergency and conduct the required consultation with the council members present so the hiring process can continue.

SELECTION OF THE PERSON TO BE HIRED

After considering the input from all the closed session meetings, the principal will make the final selection of the person he or she will contribute most to the success of the school's students and notify the superintendent and council of his or her choice. The decision made by the principal is binding on the superintendent who will complete the hiring process.

EXTRA-DUTY ASSIGNMENTS and POSITIONS

When only persons currently working at our school will be considered, the principal will make the assignment following our policy on Instructional and Non-Instructional Staff Time Assignment. When persons currently not working at our school will be considered, this policy on consultation will be followed by the principal, the council, and the ad hoc Interview Committee appointed by the principal.

PROGRAM APPRAISAL POLICY

PROGRAM APPRAISAL NEEDS ASSESSMENT

Our yearly school improvement planning process will include:

- An analysis of our state testing data and other school data as necessary to discover the extent to which our students are meeting state standards and our programs are proving effective, including but not limited to our categorical programs.
- Systematic work to discover and correct the causes of, and barriers to, high performance by all students and the movement of students toward our goals.
- Systematic reviews of needs assessments of the different programs provided for student success.
- A revision of our school improvement plan based on our needs assessment data for that year. The plan will set goals, address causes, and make indicated changes to programs to help move our students to state standards according to the timetable established by the Kentucky Board of Education.

We will implement this process to address the effectiveness of all our programs, and the resulting plans for improvement will be monitored by the council.
