

**Menifee County High School  
PARENT INVOLVEMENT POLICY**

(Legally Required for Title I Schools and Best Practice for Non-Title I Schools)

**DEFINITION OF PARENT**

---

The legal definition of a “parent” is a parent, stepparent, or foster parent of a student or a person who has legal custody of a student pursuant to a court order and with whom the student resides.

For the purposes of this policy we will use the term “parent” to encompass all diverse family situations.

**COMMITMENTS**

---

We commit to:

1. Sharing clear information about each student’s progress with parents.
2. Offering practical suggestions to parents on how they can support student learning at home and providing activities designed to successfully engage families in their children’s learning, as appropriate.
3. Making representative parents and community members full partners in our decision-making.
4. Facilitating the involvement of our military families, parents with limited English proficiency, parents with disabilities, and parents of migratory children.
5. Seeking and supporting adult volunteers to work with and inspire our students, as well as making every effort when legally appropriate to accommodate the involvement of adults other than parents who are already involved in a student’s life.

We will honor these commitments through a school-parent compact. During an annual meeting with parents, we will review the compact with parents, ask for input and then revise, if necessary, the compact.

**SCHOOL-PARENT COMPACT**

---

Our students’ parents, families, extended families, students themselves, as well as our local community are all considered partners who share responsibilities for high student academic achievement. Following are the responsibilities for the school, the parents, and the students:

**SCHOOL RESPONSIBILITIES**

Menifee County High School will:

1. Provide high-quality curriculum and instruction in an effective, supportive, and safe learning environment that enables the students to meet Kentucky’s academic standards.
2. Make available, on a regular basis, information on our programs and the content students will learn each year.
3. Assign homework in accordance with our Homework Policy.
4. Send home information on student progress on a regular basis. Specifically, we will provide formal reports every nine weeks (end of the grading period).
5. Hold parent-teacher conferences. Opportunities (where appropriate) will be provided for the student to participate actively in sharing information on his or her progress with his or her parents during these conferences.
6. Provide parents reasonable access to staff. The email addresses of their child’s teachers will be provided to parents to promote communication. Staff will make a reasonable effort to be available to parents by appointment for face-to-face conferences.
7. Support an active Parent Teacher Association or Organization where applicable.
