

Art Room Update

FEBRUARY 2024

WHAT HAVE WE BEEN WORKING ON?

4PK students have been practicing staying in the lines with our coloring. They also spent time drawing different types of lines to help create a beautiful Chinese New Year dragon! Both **4PK** and **K** students read ***The Color of Us*** and discovered all the special things about our skin colors! **K** students spent some time adding details to our Model Magic cupcakes! Students in grades **1** and **2** have been learning how to weave like ***Woolbur***, using paper looms - practicing over, under, over, under. Both grade levels will use their weaving skills to create awesome projects in the coming weeks!

DANSVILLE STUDENTS NEED OUR SUPPORT!

*The budget proposed by Governor Kathy Hochul would change the formula used to determine aid for NYS schools. If this new formula goes into effect, **Dansville will lose over \$250,000 in aid for our students - that is more than \$200 PER STUDENT.***

Please help Dansville Schools continue to provide well-rounded, enriching educational experiences for our students - click the Dansville Mustang to the right to view the information and resources provided by Superintendent Kopp.
