

Alternate Meal Procedures

The policy of the Ozark R-VI School District allows the Nutrition Services Department to serve alternate meals to any student with a negative meal account balance of \$20.00 or more.

Federal guidelines exempt students who have been approved for free meals from receiving the alternate meal regardless of their negative account balance.

The following guidelines are to be used before serving an alternate meal at breakfast and lunch:

- a. Post all deposits to student accounts.
- b. Make phone calls daily to parents of all students owing \$20.00 or more letting them know our charge limit is \$20.00 and that once that limit has been met a courtesy meal will be served until the account is under \$20.00.
- c. Once a student reaches the \$20.00 limit, notify the director. Nutrition Services will call the parents and let them know a courtesy meal will be served if no money is received prior to lunch.
- d. Alternate meals are to be rung up as a meal.
- e. Once a student has been served an alternate meal ten times the principal at the building will be notified.

Alternate breakfast consists of a muffin/breakfast cake, fruit and a carton of milk. An alternate lunch consists of a cheese sandwich/grilled cheese, fruit or vegetable and a carton of milk. Alternate meals will be distributed as indicated:

K-7 Breakfast will be distributed by the manager in line on a tray. For lunch the student's name and teacher will be written on a bag and taken to the office to be distributed to students.

JH & HS Meals will be distributed by the kitchen manager. If the student comes through the line with a tray, be discreet as not to embarrass the student. Politely, ask them to return to the kitchen and speak with the manager. The manager will explain, away from others, that they have a courtesy meal being provided and they need to exchange the tray for the courtesy meal. Never discard the food in front of the student.

Students approved for free meals never receive an alternate meal!
