

## Para-Events (All Classifications)

Beginning in 2004, the Oregon State Championships has held events for Para-Athletes. These competitors are confronted with certain physical challenges (perhaps due to cerebral palsy, spina bifida, or blindness, for instance). They compete in two divisions, often side-by-side ('Wheelchair' and 'Ambulatory') and in coed races.

### Para (Ambulatory) - Girls 100m Dash
