

## Oregon Track & Field Indoor Performance Records

What follows is a list of the top Track & Field performances for Oregon high schoolers from winter-season indoor competition. **We are confident in the accuracy of the marks which follow; however, we are in the process of researching whether any older marks belong among these records. If you are aware of marks which should be added, please let us know.**

A 200m track is standard; any indoor track over 200m is considered "oversize". Those tracks are presumed to give an advantage to runners in lap races due to their broader curves. T&FN does not consider those marks for records. Consequentially, they are listed in separate categories

	B O Y S			G I R L S		
55m Dash	Micah Williams, Benson	6.17a	2019	Mia Brahe-Pedersen, Lake Oswego	6.87a	2023
