## BENSENVILLE SCHOOL DISTRICT 2 THIRD GRADE REPORT CARD 2017-2018

**Mission Statement:** Maximize the unique potential of each child by honoring a natural curiosity and igniting a desire to learn.

**Purpose:** The purpose of this report card is to accurately communicate what best describes the student's level of performance at this time. It is one of several reporting tools used to inform students, parents, and others about the student's current areas of strength and areas where additional time and effort are needed.

**NOTE:** The Engrade Parent Portal provides details about your child's learning. As a result, the comment sections on the report card are brief.

**Academic Scoring Marks:** For each trimester some curricula content is just being introduced. As a result, students may not receive a "meets" or 'exemplary' marking until a subsequent trimester. Report card marks reflect progress for each trimester.

- E Exemplary** The student independently extends and applies key concepts, processes, and skills and can transfer this learning to new contexts.
- M Meets** The student demonstrates a solid understanding of key concepts, processes, and skills and can consistently apply this learning.
- P Progressing** The student is progressing toward an understanding of key concepts, processes, and skills with minimal assistance.
- B Beginning** The student is beginning to understand key concepts, processes, and skills with assistance.

**NA Not assessed at this time**
