### Permission to Print Name in Event Programs

Dear Parent –

Please consider granting the Fine Arts staff of Georgetown ISD the permission to print your child's name in GISD Fine Arts event programs. Names will not be released to the media and no personal information or photographs will be used – simply your child's "go-by" name. Your child's director may or may not choose to print any names in an event program, however, without your permission, your child's name would not appear. If your child participates in multiple fine arts activities, please complete this form for each activity.

By signing below, I give Georgetown ISD Fine Arts staff permission to print my child's name in Georgetown ISD Fine Arts Department Event Program(s) during the 20\_\_\_\_ - \_\_\_\_ academic year.

Student's Legal Name (please print) \_\_\_\_\_
