What is a School-Family Compact?

It is an agreement that families, teachers, and students review and revise annually that explains how all parents, teachers, and students will work together to make sure ALL students reach grade-level standards and share responsibility for improved student achievement. A compact signature by families, students and staff describes how each will be responsible for supporting academic learning.

Jointly Developed

The School–Family Compact was jointly developed and revised with input from parents, families, staff and community members of Palmetto Elementary School at the Title I Stakeholder Input Meeting, held March 20, 2019. Input was collected through a variety of methods, including e-mail, parent surveys, and parent feedback forms. Families were offered flexible meeting times to give input on how the 1% of parent and family engagement plan funds should be used. Ideas were shared with regard to what is most needed for the educational success of all students. Feedback is welcomed throughout the 2019-2020 school year.
