## SCHOOL & COMMUNITY

Riverwood International Charter School, one of sixteen high schools in the Fulton County School System, opened in the Fall of 1971. It is accredited by the Georgia Department of Education, Southern Association of Colleges and Schools, and the International Baccalaureate Organization. Riverwood International Charter School is a four-year academic, college/career preparatory high school that offers various programs, services and experiences aimed at addressing the interpersonal, social, physical, and academic needs of its students.

The Mission of Riverwood International Charter School is to prepare students to be confident, creative, compassionate global citizens through high expectations for learning, excellence in teaching, seamless curriculum, community service participation, and engagement of parents and community. The vision is to deliver a challenging curriculum that gives all students the tools needed to be successful contributing members of our nation and the world.

Riverwood is a comprehensive high school and the site of Fulton County's only International Studies Magnet Program, which focuses on increasing students' capacity in both Social Studies and World Language. Riverwood is the only Fulton County school offering both the International Baccalaureate Diploma and Middle Years Programs. This prestigious college prep institution prides itself on having a diverse, talented student and faculty body. One of the unique features of this school, is that almost 90% of the students who graduate from Riverwood go on to a wide array of colleges and universities. In addition, our students are regularly awarded Georgia HOPE Scholarships and rank among the highest achievers in the nation on the SAT and ACT. In Fall of 2019, Riverwood opened a new, 112,000 square foot, state of the art school building.

## IMPACT OF COVID-19: EDUCATIONAL SETTING

**Spring 2020-** At the onset of remote learning during the Spring semester of the 2019-2020 school year, all students participated in remote learning.  
**Fall 2020-Spring 2021-** During the Fall semester of the 2020-2021 school year, students participated in remote learning up until October. At that time, students had the opportunity to stay remote and continue learning in the virtual setting or they could return to school for Face-to-Face instruction.  
**Fall 2021-2022-** All students within Fulton County Schools returned to their home school for Face-to-Face instruction.

### Impact of COVID: Grading Marks on Transcripts

**Incomplete(I):** An Incomplete(I) was entered as a temporary final course grade on the transcript of students who were affected by remote learning and was not able to complete at least 80% of the course's summative assignments. Students with an Incomplete (I) had until the end of Summer 2021 to participate in Extended Learning opportunities to clear the Incomplete(I) and to ensure they received exposure to and mastery of missed content. Incompletes (I) for courses not needed for graduation, will remain on student transcripts. Incompletes (I) do not impact numeric GPA calculations.

**Credit (CR):** Upon completion of an Extended Learning opportunity, the Incomplete (I) listed on the transcript was changed to Credit (CR) during the term the Incomplete (I) was received. No credit was awarded to the grading marks of Credit (CR). Instead, the final course grade and credit earned was listed on the transcript during the term the student participated in Extended Learning and showed mastery of course content.

**Withdraw Fail (WF):** Students who did not clear Incompletes (I) through Extended Learning by the end of Summer 2021, should have received a withdraw Fail (WF). Withdraw Fail (WF) has no impact on a student's GPA. Students who received a Withdraw Fail (WF) are required to retake course, if needed for graduation.
