Online Course Consent Form and Contract

Action Steps:

1. Indicate your interest of taking an online course(s) on the Course Verification Form (2/6-2/24 or 3/6-3/10)
2. Complete this Online Course Contract and submit it to your counselor by 3:30PM, 3/13/23
3. Register the courses for both semesters on the appropriate virtual school website before summer break

SECTION A: Taking Online Class as 1 of the 6 classes in my schedule off campus	Student Initial	Parent Initial
Students can take UP TO 3 of their courses ONLINE through Georgia Virtual (GAVS) or Fulton Virtual (FVS).		
Students taking online must take their courses at HOME and transportation to/from school is NOT provided. Be advised that parking is NOT guaranteed.		
Online course(s) must be placed in either 1 st or 6 th periods or be grouped together at the beginning or end of a student's schedule (ex. 1 st -3 rd or 4 th -6 th).		
Online course(s) may impact the opportunity for students to take other scheduled courses due to scheduling limitations.		
Once students have been scheduled for an online course as of the April deadline, students will be held to that decision. Any exceptions MUST be administratively approved.		

SECTION B: STUDENT GUIDANCE FOR VIRTUAL COURSES		
	Student Initial	Parent Initial
Students are not permitted to drop a yearlong face-to-face course at the end of semester 1 to take the course online for semester 2.		

I understand that grades for ALL online course(s) students are enrolled in after the 10th day of the semester will be posted on the student's official Roswell High School transcript. All attempted online courses and grades, both passing and failing, will be recorded onto the student's transcript, and factored into the overall numeric average.		
I understand that online courses are just as rigorous, if not more so, than face-to-face courses.		
I understand that online courses require students to spend at least 1 hour per day on coursework for each 0.5 credit online course.		
I understand that online courses require students to be self-directed, self-disciplined, and to work independently to be successful in the course. I understand that the student is responsible for following and keeping up with the online course syllabus and pacing guide, as provided by the online teacher.		
I understand that online courses are taken externally and not part of Roswell High School. 1. All concerns and issues should be addressed directly to the teacher of the online course. 2. Questions about progress grades, class assignments, and final exams should be directed to the teacher of the online course. Roswell does not have access to this information.		
I understand that online course teachers and providers use email to communicate with both students and parents.		
I understand that students who fail multiple online courses may not be approved to take future online courses.		
I understand that End of Course tests will be required for any courses that have a corresponding EOC test in Fulton County. It is my responsibility as the student to take the appropriate test(s) at the appropriate time(s) at Roswell HS. Standardized testing (if applicable) must be taken at the student's home school.		
I understand that it is my responsibility to verify that the college/university and/or NCAA I want to participate after high school graduation will accept the online course from Fulton Virtual or Georgia Virtual School before I enroll in the course.		
I have reviewed the Virtual School provider's website and am aware of the expectations and responsibilities of taking an online course.		
I understand that it is my responsibility to register for the online courses on the appropriate Virtual School provider's website.		
I understand that I must register for BOTH fall and spring courses for semester-long courses.		
I understand that online courses will only be approved after a completed Online Course Contract has been submitted to my counselor.		

**Before any online course will be approved,
ALL PAGES OF THIS FORM MUST BE COMPLETED by the student and parent.**

My signature below indicates I am releasing Fulton County Schools of any responsibility for the student choosing to participate in online courses. I have read and agree to the conditions set forth by Roswell High School and Fulton County Schools.
