Approve & Finalize Charter Dollar Expenditures: The Safety Fund money- earmarked with quick locks on classroom doors (approval from county and now have to go to bidding) Remaining balance- .5 EIP position has been voted on already but \$4000 in remaining balance from that position can be used for window film on more windows in the school (in addition to our safety fund initiative).

SGC Reflection completed together.

Principals Update- finances discussed above. Recognizing students and staff each month. Students get recognized for character awards and academic awards. Tier 1- iReady diagnostics will mostly be completed before GMAS testing. Interventions- WINN Time each day

For next year, we have a few teachers not returning next year. Fully staffed with people ready to hire. We are still looking for a special education paraprofessional.

Still waiting to hear if contract cleaning will be approved by the county.

Looking into volunteers to help move furniture from classrooms and to assist with waxing floors for week of May 30-June 2.
