Attendance Data- Mr. Allison shared info about SAE attendance data. We are sharing with parents the 5 Remote Days that can be taken per semester. We are at the top tier of attendance. Our school is also working with families in conjunction with the School Social Worker to help improve attendance for families that have many absences.

Website Audit: Takes place once per semester. Website is being updated to include new members and any missing information.

Charter Dollar Expenditure- Mr. Allison discussed using the Charter Dollars to fund an EIP teacher to support students in our building. Proposal- fund a .5 EIP teacher position to support students throughout the building. Share info with community about how the Charter Dollars are spent, how EIP teachers serve the school, share that these flexible positions help students in all grades and all levels.

Motion made and all approved for Charter Dollar Expenditure to fund .5 EIP teacher

Community Outreach Committee- Create information to share with community about EIP position funded by Charter Dollars
