-Old Business	
-New Business	<p>Discussion was held on the Facilitator position. Other IEICs have found it easier to find a chair and co-chair if a facilitator is running the meetings.</p> <p>Discussion was on held on our newly approved plan. Goal #1 – We will use carry over money to purchase Help Me Grow materials. Goal #2 – The Early Childhood Mental Health team watched Rose Marie Allen videos. There are a lot of resources available already regarding Cultural Competence. Goal # 3 – Facilitator, the goal would be to have one in place by January 1<sup>st</sup>. Discussion was held on if social media marketing can continue without the use of Risdall. The facilitator may be able to help with this. The next step is to frame up duties, so they are clear. Josh will send duties to the group for feedback. Goal #4 – LCSC’s role in IEIC.</p> <p>Deliverables are to get a facilitator in place, order materials, have counties track who they are giving materials to. Materials order will be added to the agenda for the February meeting. Motion was made by Sarah Boll to approve the Statewide Plan, seconded by Connie Fields.</p>
