

SUMMER SUN BUCKS PROGRAM

The State of North Carolina is launching the new SUN Bucks Program! The SUN Bucks Program is a food assistance program that will provide benefits to qualifying students and families to help purchase healthy foods during the summer months.

Eligible students may receive their SUN Bucks card this summer at their mailing address on file at their school.

★ Take Action Now to Avoid Delays ★

Parents/Guardians may confirm their address on file by contacting their student's school office by MARCH 28, 2024 to receive SUN Bucks.

You may confirm your student's mailing address at a later date, please know it may cause delays with the State of North Carolina sending SUN Bucks to the updated mailing address.

Unfortunately, the School Nutrition Department nor the student's school cannot help determine if your student should receive SUN Bucks.

To determine if your child is eligible to receive SUN Bucks or to apply for these benefits, please visit the **NCDHHS Website**: <https://www.ncdhhs.gov/sunbucks> for more information.
