- Approval of Agenda with flexibility- Motion to approve: 1) Stephanie Richards, 2) Asma Shita
- Good News Report:
 - Kevin Williams: The new class of Chemistry starts with college bound/ collaborative.
 - Kristin Morvik: Kristin is excited about taking on the Business Class. She received the Break The Mold Award this week!
 - Asma Shita: The Access Testing for her school is complete this week. She is looking forward to the Family Night on Feb. 7th at her school.
 - Stephanie Richards: AP Classes are challenged to complete one book a month outside of school and write one essay a week. Students were assigned a big skill to which every student participated for the first session. She has created the environment as a "Book Club" to which the students personalized coffee cups to drink their coffee they made while participating. The students love the idea.
 - Stacey Black: The Pep Rally last week was AMAZING! We had a large number of students participate. Our boys Basketball Team is undefeated!

STUDENT ACHIEVEMENT

- ACCESS Testing is still in process.
