Athletics:

FFA Week:

The Eastwood FFA Chapter will be celebrating FFA Week this week. The week's theme days will be:

Thursday: Hunting Gear/Camo Day

Friday: Wear Eastwood or FFA Clothing/Drive Your Truck To School

Help us celebrate by dressing up on these days.

FFA is the largest student organization in the United States. There are currently over 900,000 FFA members nationwide. 29,089 of those members are in Ohio as a part of 329 chapters statewide. Tomorrow's theme is Hunting Clothing/Camo Day.

We are having an Ag Olympics Assembly on Friday. The games are a milk chug, tug of war, egg toss, and pedal tractor race. We need one boy and one girl from each grade to do each of the events. The sign up will be in the lunch room if you are interested. It is first come, first served.

We are also holding a Pie-In-The-Eye Fundraiser. Five of our officers, Logan Brinker, Amelia Ward, Luke Brinker, Ethan Chlebowski, and Justin Lange will be taking a Pie in the Eye for charity during the Ag Olympics Assembly. We will be selling tickets for \$1 at lunch. Each ticket purchased will then be put into the Officer Jar of your choice and one name will be pulled from each jar during the assembly. The person pulled will get to pie that officer in the eye. Your name will only be pulled once if you donate to multiple officers. All money donated will go to 4 Paws For Ability, which is an organization that works to enrich the lives of children and veterans with disabilities by placing life changing service dogs.

Science Research Opportunity:

BGSU is hosting a science research opportunity for students this summer from late May to early July. Students will earn a \$1000 stipend for participating in the six-week program. This is an opportunity to assist with cutting-edge research in a chemistry, biochemistry, or physics lab on BGSU campus. Applications are due March 29—find all of the details at www.bgsu.edu/picnics. See Mr. Hoover if you have any questions.

Art Club:

Franklin Park Mall has five large-scale fiberglass eggs that have been transformed into vibrant works of art by local artists over the years (attached are images for your reference). This year on March 9th, they are excited to offer local student artists the opportunity to lend their creativity to these unique canvases.

Here are the key details:

- **Date and Time:** The painting will take place live at Franklin Park Mall on Saturday, March 9, from 11 am to 3 pm, coinciding with Bunny Arrival Day. Members of the media will be in attendance, and children will have the chance to paint their own mini eggs as part of the festivities.
- **Content Guidelines:** The artwork should be family-friendly and devoid of any political or religious messaging.
- **Materials:** Please ensure that the materials used do not permanently damage or alter the shape of the egg, as they are repainted and reused annually.

Following the event, the decorated eggs will remain on display at Franklin Park Mall through Easter. The community will be encouraged to vote for their favorite egg, with each school receiving recognition on signage next to their respective egg, along with a QR code directing viewers to learn more about the school's art program. Please see Mrs. Moorman if you are interested in participating.

Community Service Opportunity:

If you are in need of community service hours, Pemberville Independent Merchants Association is hosting an Easter event in downtown Pemberville March 23rd from 10am-2pm. They are in need of

1-2 volunteers to be the Easter bunny. If you are interested, please contact Colleen at 419-287-3231 or colleen@insuranceofficeagent.com

Important Reminders:

March 8th - PM Assembly Schedule for Ag Olympics

March 22nd - Early Release Schedule for Eastwood's Got Talent
